## NEW ORLEANS MARKETS.

SEMI-WEEKLY REVIEW.

CRESCENT OFFICE,
WEDNESDAY MORNING, April 13, 1853.

No very important changes have taken place in our market since our last semi-weekly review. Cotton being well sustained and indeed tending upward, notwithstanding accounts by the steamer Europa of a heavy market at Liverpool. The rates for Flour, Corn and Provisions, are about the same, as is also the case with Sugar, Molasses and Tobacco. For details, however, in reference to these and other articles, we refer to our separate headings below.

COTTON—At the close of our last review we left the market with only a limited business doing, as factors generally refused to make any concessions, though buyers were counting them on the strength of the somewhat unfavorable advices by the steamer Arabia, on Saturday will later accounts from Liverpool, by the Europa, were placed in possession of the public about noon, reporting a continued heavy feeling at Liverpool, though with no quotable decline in prices, the week's sales being stated at a daily average of 9000 to 10,000 bales. In our market this produced no effect, the sales being 6500 bales at previous rates. On Monday several buyers came forward, after perusing the Niagara's letters, and took 15,000 bales, generally at higher prices for even running lists, which continued scarce and in special request, both for France and Spain. Yesterday there was also a fair inquiry, but as the supply was moderate, the sales were but 4500 bales, making a total of 25,000 bales for the three days.

The receipts of the three days are 11,554 bales, against 20,114 bales for the corresponding week last year, and in the total receipts at this port the increase, compared with last year, is 180,897 bales.

SUGAR—We have still to notice a good inquiry in the Sugar market, light receipts, also, enabling holders to maintain prices with steadiness, and in some instances to obtain outside rates. The sales since our last sum up about 840 hhds, including 550 yesterday, and we continue to quote:

| | | | |
|---|---|---|---|
| Inferior to Common | 3¾@4¾ | Prime and Choice | 4¾@5 |
| Good Common | —@4¾ | Clarified | 4¾@4¾ |

MOLASSES—Prices have been well kept up, especially for good to prime parcels of Refooted, and we have to report sales for the three days of 1100 hhds, including yesterday 200 hhds Refined, for interior to good Permenting, and 21¼@22½c for prime and choice Refooted.

Receipts of the three days, 1615 hhds—exports, 438.

FLOUR—The sale approach of the fouring season has, doubtless, some effect in deterring buyers from operating very extensively, while, at the same time, it renders holders free sellers of parcels in store at lower figures than can be obtained for lots delivered in the South. Since our last sums 15,000 bbls have been sold, including nearly 5000 bbls Ohio in store (on Saturday and Monday) at $4 90@$4 62½ ⅌ bbl, and yesterday 1500 at $4 for Ohio and $4 00@$4 15 for St. Louis.

Receipts of the three days, 3245 bbls—exports, 2710.

CORN—On Saturday the supply on the Levee being larger, buyers came forward freely and took nearly 2000 sacks, mostly at 46@46c for dry and prime parcels of White and Yellow suitable for shipment. On Monday the stock being reduced again only 2500 sacks changed hands, and yesterday 1500 sacks from flatboat (subject to inspection) at 46c, and 1100 at 45½@46c.

Receipts of the three days, 15,493 sacks—exports, 10,810.

OATS—Prices have been quite steady, with sales of 1400 to 1600 sacks at 43@46c for Ohio, and 36@38c for St. Louis.

Receipts of the three days, 2400 sacks—exports, 2000.

WHEAT—The largest sale of the season was made on Saturday, some 3000 bushels Fair at 82½c ⅌ bushel.

BRAN AND HAY—Western Hay is still selling occasionally at $17 50@$18 00 ⅌ ton, and Bran at 75@80c ⅌ 100 lbs on the Levee.

PORK—The Pork market has been decidedly firmer for a few days back, and sales of some 1000 bbls have taken place on Saturday and Monday at $14 50@$14 25 for Mess, with and without inspection, and some small parcels at $11, 9@$12 00 for Prime, and $9 50@$10 00 for Rumps. Yesterday the transactions included 571 bbls unexpected Mess at $14, 500 do. at $14 25, 100 M. O. at $13 75, and 66 Rumps at $10, all on the Levee and not inspected.

Receipts of the three days, 2326 bbls—exports, 1890.

GREEN MEATS—The only sales we know of were 400,000 to 450,000 lbs on Saturday at 4@4½c for Shoulders, 5@5c for Hams, and 4½c for good Hog round.

BEEF—We hear of little or nothing doing, but quote as the nominal prices 12½@13½ ⅌ ⅌ for Mess, $18 @$18 50 for Prime, $15 50 for Prime Mess, etc.....Of mess Beef 500 tierces Prime Mess, of a choice brand, (Norwood's), were taken for shipment to England at $40 00 ⅌ tierce.

Receipts of the three days, 924 bbls—exports, none.

BUTTER AND CHEESE—Western Butter is still selling at 11@14c, but prime is scarce, and would bring 16@18c ⅌ ⅌.....Cheese readily commands 10@11c ⅌ ⅌ for good quality.

LARD—The market is rather unsettled, buyers offering lower prices than most holders are willing to accept, and on Saturday and Monday the only sales reported were 25 kegs at 8¾, 540 kegs Prime at 8¾, 800 bbls at 8c for Prime, and — for No. 2 and Interior, and yesterday 400 bbls Prime at 8, 100 at 8¼ and 100 No. 1 at 8½ ⅌ ⅌.

Receipts of the three days, 9421 bbls and tierces, and 803 kegs—exports, equal to 1850 kegs.

BACON—Owing to light receipts Sides have improved, with limited sales at 7¾@7¾c for prime Ribbed, but Shoulders continue dull at about 5¾@5¾c ⅌ ⅌. On Monday 25 casks Sides (Sidneyley) were sold in one lot at 7½, and yesterday 45 casks Shoulders at 5¾c, and a few casks Sides at 7½c.

Receipts of the three days, 1405 casks—exports, 3617.

TALLOW—The last sale was at 8¾c for prime City Rendered.

RICE—The market is stagnant, and only a few limited sales can be made at 4¾@4½ ⅌ ⅌.

WHISKY—Refined has been retailing at 19c, but lots of any magnitude could not be sold on the Levee at much over 18½c ⅌ gallon. Oliver's Extra brings 20c occasionally in small lots, and Dexter's 20c ⅌ gallon. Yesterday 260 bbls were taken in lots at 18½c.

Receipts of the three days, 984 bbls—exports, 946.

COFFEE—Unusual wildness has prevailed in the Rio Coffee market, and on Saturday and Monday not over 800 bags were sold at 10@9¾c, though offers of 9c were refused for some large lots of prime. Yesterday a better demand prevailed, with sales of 500 bags at 9, and 300, in several lots, at 9¼c ⅌ ⅌. There have been no more cargo arrivals.

SALT—In the absence of any arrivals, or of any cargoes left in first hands, the only sales we have to report are from store, by dealers, at 90@95c for Coarse, and $1 15@$1 25 for Fine, including drayage.

HEMP AND LEAD—We know of nothing doing in either.

BAGGING AND ROPE—We know of only limited sales making, though prices are pretty steady at 10¾@11¾c for Kentucky Bagging, and 6¾@7¾c for Rope.....India Bagging is dull, and a small lot (20 bales) was sold at 11¾, 8 months, purchaser interest; also 400 pieces Kentucky on Monday at 12c, mostly on time.

GUNNY BAGS—The last sales of importance were at 9@9¼c, cash or short time, adding interest.

CANDLES—Star are still selling occasionally at 9½@9½c for good brands. Sperm are dull at 42@45c for the best New Bedford, etc.

LIME—The last cargo sold on the Levee was at $1 20 ⅌ bbl. Of Western 400 to 500 bbls brought $1 12½@$1 40.

OILS—Linseed is in some demand at 75@80c ⅌ gallon, the outside rate only for small lots.

FREIGHTS—Have been more active, and an ships and barks have been taken up at the following rates: 9-16@19 32d for Cotton to Liverpool, 5c for Flour, and 14d for Grain to the same port, 1¾c for Cotton to Havre, ¾c to Boston, etc.

## COMMERCIAL SUMMARY.

*Foreign Markets.*

[Correspondence of the New York Express.]

RIO DE JANEIRO, February 15.....COFFEE—The active demand for the Slaving, prevailing at the date of our last monthly advices, continued for some days; and, although business was after wards less active, the total clearances for the United States in all January were the largest ever made in one month. For Europe comparatively little was done. The sales this month amount only to about 21,000 bags, of which 9000 for the States. Average supplies of coffee now forward, and the stock at market has increased to 150,000 bags, and a decline in prices is generally expected, as purchasers show little inclination to operate at current rates. The last sale of selections for the United States have been at 1,200 to 1,300, and our quotations to-day are nominal, at superior 1,300@1,400, fine 1,200, ordinary 1,000@1,100, and common 900. The exports to the United States during the month of January were 127,000 bags; and thus far in the present month 14,000 bags. In January the exports to Europe were 28,501 bags, and there is the present month 9000 bags only. Few Holds have come to market, and prices advanced—heavy sorts; light sorts.....FREIGHTS—Numerous charters to read at the Northern ports having also at the date of our last advices, eight vessels have advanced from 55s and 60s for Europe; and on the 11th instant 70s was obtained for the channel. For the United States the equity has been less active. We quote 50@55c for a Northern, 55@60c for a Southern port.....FLOUR—Prices fully maintained: Baltimore, 27@28 refined by holders; Hualt, 21@24; do., Baltimore 16@18. The Baltimore brands are said to be damaged or musty. For sound good of these lower brands, 17@18 will be obtained. Holders of Gallego are holding out for a higher price, as little is expected, and there is no foreign in first hands.

*Domestic Markets.*

NEW YORK, April 5.....COTTON—Sales of 2000 bales at 8¾@8¾c advance.....FLOUR—Sales of 5000 bbls at $4 56@4 62 for State, and $4 56@4 87 for Genesee. Sales of 500 bbls Southern at $4 81@$5.....WHEAT—Sales of 12,000 bushels at 90c for Western, and 92c for Southern. 7000 bushels at 84c for Mixed, and 89@89½c for Yellow.....WHISKY—Sales of 150 bbls at 19c.....PORK—Sales of 300 bbls Prime at $11, and Mess at $14 50@$14 75.....BEEF—Sales of 220 bbls Mess at $12.....COFFEE—Sales of 750 bags at 9½c.....TALLOW—Sales of 90,000 lbs at 8¾@8¾c.....MILK MEAT—Sales of 150 tierces at 4c for Shoulders, and 5½c for Hams.

NEW YORK, April 4.....CATTLE MARKET—Offered at Washington Drove Yard 1120 Beeves, 100 Stores, and 1200 Sheep, from various parts of the States. The market is quite active, and prices firm. Sales at from 7½c to 10c ⅌ ⅌, as to quality. We noticed that about 100 head were left over unsold.

PHILADELPHIA, April 4.....FLOUR—Receipts very quiet, standard brands are generally held at $4 ⅌ bbl, but there are no buyers for export at that price.....Rye Flour and Corn Meal are but little inquired for, and held at about previous quoted rates.....GRAIN—There is some inquiry for Wheat, with but little offering, and 4000 bushels prime Pennsylvania White sold at a shade more than quoted, and to be at an advance on previous rates. Red is scarce and wanted.....Rye is scarce, and Pennsylvania is selling in a small way at 91@92c.....Corn is rather better, and holders ask 60c for good Yellow; sales of Southern and Western mixed, only at a price to be fixed, including 1000 bushels, not prime, at 49c, and one lot reported at 48c.....Oats are quiet, and 40@41c for last sales of Southern were at 40@41c, and Pennsylvania at 42c.....CLOVERSEED—Instead demand at $7 50 ⅌ bushel, with but little coming in.....WHISKY—Is without alteration, and we quote bbls at 22c, and hhds at 24c, with very moderate sales.

PHILADELPHIA, April 4.....CATTLE MARKET—The offerings of Beef Cattle for the week were about 1400 head. Beeves are selling from 6c to 8c ⅌ ⅌ 100 lbs.....There were about 800 Hogs in market, and sold from $7 to $7 50 ⅌ 100 lbs.

BALTIMORE, April 5.....FLOUR—Early this morning a sale of 200 bbls Howard street Flour was made at $4 75. On Change, buyers were willing to operate at the above named rate, but holders preferred to wait the steamer's news, now due.

MONEY MATTERS, TRADE, ETC.—The amount of United States Treasury notes outstanding on the 1st inst. was $12,671 54.

The Boston Journal of the 5th says: "Quotations for money can hardly be stated at any rate, but there is a strong disposition on the part of lenders to place capital at long date, instead of demand loans, even at a moderate concession in rates. Paper of the best quality has been passed within a few days at from 10 to 12 per cent., but the negotiations are not of large extent."

The New York Post of the 9th says: "The demand for money is active at previous rates, and some more could easily supplied. This is, however, the heaviest day for the payment of mercantile acceptances of the first half of the year, and will place the banks and other holders of paper in very large funds at the close of the day. We may expect, therefore, shortly, some further ease in the market. The trading interests, especially the dry goods and grocery business, we are happy to say, are well prepared to meet the call upon them."

DIVIDEND.—The Leicester Bank of Boston has made a dividend of 3½ per cent., now payable, the earnings for the last six months, which makes 8 per cent. paid to the stockholders as dividends the last three years, and has a surplus on hand of $10,000.

## SUNDRIES.

PORK—26 bbls. Shoulders, 42 do. Mess, sour, 63 do. Prime; BEEF—42 bbls. Prime, 3 do. Mess, 1 do. M. O.
