WARREN STAGG'S CHOICE SUGAR-CURED HAMS.—The attention of the trade and consumers is invited to this very choice and very celebrated brand of hams. In support of their claims to be superior to every good ham in the trade they are put and cured in a peculiar manner.

In the first place, these Hams are guaranteed to be from corn fed Pork without exception. No stale meat is received into the Warehouse, and none sold under the brand. This is a principle in the selection of the meat upon which the reputation of the proprietors of Stagg's hams is based, and of which they claim to be the inventors. The process of Cure is entirely distinct from that of any other Ham in market, and is not adopted by any other house in the trade. And it is believed that no process of curing is only equal to ours in the result of superior excellence.

Secondly—The process of Cure is entirely distinct from that of any other Ham in market, and is not adopted by any other house in the trade. And it is believed that no process of curing is only equal to ours in the result of superior excellence.

In support to the claim to which they are put up they have no competition. Each ham is put up in a neat wrapper, with a full and explicit direction for cooking the Ham for its most appetizing and wholesome qualities, and a separate beautiful engraved wrapper, for ornament, to cover the shank and delicacy of flavor, which will be found very tempting to contribute the best Ham, they are unequaled, and in fact are UNEQUALED by any other brand of Hams in any market in the world.

A supply of these superior Hams can always be found at the Agents, HIDER & FARIAR, 84 Magazine street.

WINER'S CANADIAN VERMIFUGE A CERTAIN REMEDY FOR WORMS.

IT IS A FACT, established beyond the shadow of doubt, by the testimony of the most eminent physicians, more than three-fourths of the children with which children are afflicted are caused by Worms and thousands of children die annually from these diseases, when the cause is never suspected, or attributed to something else. Various are the preparations which have been recommended as remedies for Worms, but experience has proved them more or less ineffectual; the Vermifuge Plate LOOKING GLASSES, and a remedy found which has never failed to destroy Worms, wherever they have prevailed. This assertion is supported by the testimony of the most eminent physicians and respectable individuals in the country. The remedy is

WINER'S CANADIAN VERMIFUGE,

WARRANTED PURELY VEGETABLE.

It is safe in its operations, and extremely administered than anything else. Some of the symptoms which indicate the existence of the Worms in the bowels are as follows: the countenance is pale, of a leaden color, and suffused with occasional flushes; the eyes are heavy and dull, the breath fetid, the upper lip swollen, itching in the nostrils, which causes the patient to pick his nose; the sleep is disturbed, the patient often awakening in great fright, and is liable to starting and grinding the teeth; the appetite exceedingly irregular, being sometimes voracious, other feeling dull and loathing food; the bowels are in disorder.

To the following certificates numerous might be added, but it is believed that these are sufficient to establish the fact that WINER'S CANADIAN VERMIFUGE IS A SUPERIOR REMEDY FOR WORMS.

FROM THE REV. J. FLANAGAN, OF BANBROOK, C. W.

J. WINER—SIR: I have made the trial of your Canadian Vermifuge and with the most happy results. In my own family, and in every case which has come to my knowledge, the expulsion of Worms has followed the administering of your Vermifuge, and every one here prefer it to any other, as its effects are certain, and children take it more readily, which is a great point gained in giving medicine to children.

Jan 16, 1851. JOHN FLANAGAN.
