## YANKTON GRANGE HAS MEETING

Yankton Grange No. 301 held a special open meeting last Saturday evening for the discussion of the recall of the County Court.

Commissioners John Farr was present and gave an account of the differences of the present Court and the State Highway Commission. Mr. Farr answered all questions asked him in a very satisfactory manner. A. H. Tarbell of Warren was also present and made a short but very convincing talk upholding the present Court. Some criticism was offered and answered.

Some very unsavory facts were given about Mr. A. L. Clark of Rainier on good authority.

All who went there went to the meeting with unprejudiced minds went away convinced that though the present Court may have made mistakes according to the judgment of some people at least that they have worked hard and given careful study to the County affairs and deserve an overwhelming majority in their favor at the election Tuesday.

We endeavor to buy the best goods on the market, quality counts at **Noah's Ark.**

## HOULTON SALOON IS ROBBED

At 4 o'clock Tuesday morning the saloon of A. J. Kelley at Houlton was broken into and the safe blown open. Entrance was made through a back window. The robbers drilled into the door of the large safe and put in several charges of dynamite which blew off the outer door of the safe and from the box there the robbers took about \$80 in cash. A charge of dynamite was then put into the small steel door to the cash box but the charge was not discharged because Mrs. McCoy who lives next door had been awakened by the noise of the first explosions and commenced to make an outcry. The robbers were frightened away and left the dynamite and fuse in the door. The only clue as to the identity of the robbers was a large sized hat which one of them left in his hurry to get away. Three men are supposed to have been in on the job as they were seen the day before lounging around and since the robbery they cannot be found.
