IT TAKES PRECEDENCE OF ALL!—SO say respectable Druggists of B. A. FAHNESTOCK'S unequalled VERMIFUGE. Comment is unnecessary on such testimony as the following from the Druggists of LAFAYETTE, Indiana, Nov. 19, 1851:
Messrs. B. A. FAHNESTOCK & Co., Pittsburgh, Pa.—Gentlemen: The Vermifuge shipped October 8 has arrived in good order. The vermifuge is very popular and superior to all Cushing's, Shaw's, etc. We find that it takes precedence of all other articles recommended for the diseases for which it is so specifically adapted, and we never failed to discover Worms, wherever they have existed. This assertion is supported by the testimony of the most eminent physicians and respectable individuals in the country. The results are
WINER'S CANADIAN VERMIFUGE,
WARRANTED PURELY VEGETABLE.
It is safe in its operation, and more easily administered than any other. Some of the symptoms of Worms are very relaxed, and with pain in the bowels are as follows: The commencement is pale, of a leaden color, and affected with occasional flushes; the eyes are heavy and dull, the breath fetid, the upper lip swollen, inclining to the nostrils, which extend the patient to pick his nose; the sleep is disturbed, the patient often awakening in great fright, and is liable to starting and grinding the teeth; the appetite extend aigly irregular, being sometimes voracious, others feeble; and in most instances is depraved.
To the following certificates nothing more need be added, but it is believed that those are sufficient to convince the fact that WINER'S CANADIAN VERMIFUGE IS A CERTAIN REMEDY FOR WORMS.
MEDICAL EVIDENCE.
We, the undersigned, having frequently administered a medicine prepared by Mr. John Winer, of this town, designated J. WINER'S CANADIAN VERMIFUGE, and being fully satisfied with its efficacy, confidently recommend it as a safe and efficient remedy for the expulsion of Worms from the intestinal canal.
JOHN O'REILLY,
Secretary of the R. C. of Surgeons in Ireland, etc.
G. W. DICKINSON,
Member of the R. C. of Surgeons in London, etc.
FROM THE REV. J. FLANAGAN, OF BANBRIDGE, C. W.
J. Winer—Sir: I have made the use of your Canadian Vermifuge and with the most happy results. In my own family, and in every case which has come to my knowledge, the expulsion of Worms has followed the administering of your Vermifuge, and every one here prefer it to any other, as its effects are certain, and children take it more readily, which is a great point against giving medicine to children.
July 6, 1845. JOHN FLANAGAN.
Physicians generally now use WINER'S CANADIAN VERMIFUGE. This medicine is a simple vegetable preparation, and may be administered with perfect safety and confidence as to the result, as it will always expel Worms without injuring the patient in health.
Over one thousand certificates have been sent to Agents from planters, merchants and physicians, bearing testimony to the efficacy of this invaluable remedy. Worms are the cause of many diseases, and by the formation of the chests or hereditary, can prevent entirely an whole family of the disease, and always enjoy good health by using freely of this Canadian anti-verminous medicine.
Beach's Ferruginous Tonic.—A certain remedy for Chills and Fever and Ague and Fever, never known to fail, and also prevent a return of the disease.
Beach's Rheumatic Compound—Never fails to give relief in the most inveterate cases.
Beach's Stomachic Bitters.—This is an excellent article that has been found amongst us, as a prophylactic or preventive of Chills and Fever, and all Autumnal Fevers. It is a fine tonic, and in all instances, even for a short period, in low, marshy districts, the Bitters are invaluable. Any person using the Bitters will never be troubled with Chills and Fever, at the same time they correct the secretions, give tone to the stomach, improve digestion, restores the appetite, cures dyspepsia and sick headache, and generally improves good health and vigor.
For the above remedies we publish no certificates of extraordinary cures such performed by them. We will say this much, they are all that they are represented to be. They are remedies that have not to fail in our practice for years with the most satisfactory results. The great demand for these remedies is always a sure index to the good they do up in a manner that they can be resorted to all. Prepared and sold by

World's Safe Company.

THE attention of the public is called to the utility and superiority of these Safes above all others. Our Safes are made on a entirely new principle. We first form a case of iron strongly made from wrought iron plates or bars, around which a composition of cast-iron is run, exciting the liquid metal, and making it impenetrable to the hottest fire and the strongest instruments allowed in the trade. To the substantial, it is only necessary to say, "Nature and Mechanics," she leaves no holes or cracks, rivets or screws, for the fire to work through, and the Safe is made fire and burglar proof. Locks cannot be put them together. Neither can the burning element make an impression on the solid mass, lined as it is with a fire-proof wall.
We hesitate not in saying, that these Safes, secured with LILLIE'S EMPIRE DRILL AND POWDER PROOF COMBINATION BANK LOCKS, are the only really secure depositories for money or other valuables. Waney brother, there is but little security in any of the popular Safes or Bank Vaults now in use. They are all the work of mechanics, often broken in, as experience has demonstrated.
This Company is now prepared to furnish as short notice SAFES and BANK VAULTS, of various sizes, for Banking Institutions, Mercantile Firms and Individuals—all of which will be warranted Drill and Powder Proof, when secured with Lillie's Bank Locks.
A specimen of the Celebrated Lock, together with Day & Newell's Parasimitic Bank Lock, can be seen at the office of W. W. WHITE, No. 1 Commercial Place. I. C. DUPUYES, Agent, 38 Camp street.
