PECK'S DRUG STORE

MARSHMALLOW SOAP

10 Cents Per Cake.

This soap is manufactured by Helen Palmer, New York. It is not made of tallow, but of French pomade. These pomades are used in making Palmer's extracts for the handkerchiefs. After the oder is washed from them by means of spirits, the residue pomade is manufactured into soap. Of course the supply of pomade is limited and the output of the soap small; but the quality is the best of any soap in the market, because the pomades are composed of the finest materials and are used for extracting the odor from the flowers. Each cake weighs five ounces. The suds are free from the alkaline nature so injurious to tender hands and faces. We have had it branded Marshmallow, to distinguish it from inferior soaps. It cannot be purchased in the dry goods stores, as the trade-mark "Marshmallow," by mutual agreement, belongs to Peck Bros., and we decline to sell it at wholesale. Try a box of the Marshmallow Soap and decide upon its merits. 50c for three cakes.
