WINER'S CANADIAN VERMIFUGE A CERTAIN REMEDY FOR WORMS.

IT IS A FACT, established beyond the shadow of doubt, by the experience and testimony of the most eminent physicians, more than ninety-fourths of the diseases with which children are afflicted are caused by Worms, and thousands of children die annually from the effects of disease, which by the use of a certain remedy would be restored to something else. Various are the preparations which have been recommended as remedies for Worms, but experience has proved them all more or less ineffectual. The subscriber has at length been obtained, and a remedy found which has never failed to drive any Worms, wherever they have existed. This assertion is supported by the testimony of the most eminent physicians and respectable individuals in the country. The remedy is

WINER'S CANADIAN VERMIFUGE, WARRANTED TO PERFECTLY VEGETABLE.

It is safe in its operation, and more certainly administered than any other. Some of the symptoms which indicate the existence of the Worms in the bowels are as follows: the countenance is pale, or a leaden color, and suffused with occasional flushes; the eyes are heavy and dull, the breath fetid, the upper lip swollen, itching in the nostrils, which causes the patient to pick his nose; the sleep is disturbed, the patient often awakening in great fright, and is liable to starting and grinding the teeth; the appetite is variable, sometimes voracious, sometimes without either, and in some instances it is depraved.
To the following certificates numerous might be added, but it is believed that the most prejudiced will be satisfied, that the WINER'S CANADIAN VERMIFUGE IS A SUPERIOR REMEDY FOR WORMS.

MEDICAL EVIDENCE.

We, the undersigned, having frequently administered a medicine prepared by Mr. John Winer, of this town, designated J. WINER'S CANADIAN VERMIFUGE, and being fully satisfied with its efficacy, confidently recommend it as a safe and efficient remedy for expulsion of Worms from the intestinal canal. G. O'REILLY,
Licentiate of the R. C. of Surgeons in Ireland, etc.
G. W. DICKINSON,
Member of the R. C. of Surgeons in London, etc.

FROM THE REV. J. FLANAGAN, OF BANBROOK, C. W.
J. WINER—Sir: I have made the trial of your Canadian Vermifuge and with the most happy results. In my own family, and in every case which has come to my knowledge, the expulsion of Worms has followed the administering of your Vermifuge, and every one here prefer it to any other, as it acts more certain, and children take it more readily, for it is as pleasant as any medicine to children.
July 16, 1849. JOHN FLANAGAN.
☞ Physicians generally now use WINER'S CANADIAN VERMIFUGE. This medicine is a simple vegetable preparation, and can always be administered with safety to children and confidence as to the result, as it will always destroy Worms and restore the patient to health.

World's Safe Company.

THE attention of the public is called to the utility and superiority of these Safes over all others. Our Safes are made on an entire new principle. We first form a case or rack of iron, and then pour the melted metal into the chamber, and by a combination of cast-iron iron, chilling the liquid metal, and making it impenetrable to drill or chisel, and consequently resisting the above methods of attack. To the scientific, it is only necessary to say, "Nature not Mechanic," she leaves to bolts or straps, rivets or screws, for the ingenuity to remove, with perhaps less effort than we expect to put them together. Neither can the burning element make an impression on the solid mass, lined as it is with a fire-proof wall.
We humbly not in saying, that these Safes, secured with LILLIE'S EMPIRE DRILL AND POWDER PROOF COMBINATION BANK LOCKS, are the only really secure depository for money or other valuables. We say further, there is but little security in any of the popular Safes or Bank Vaults now in use. They are all the work of mechanics, of no ingenuity, and of no experience in Safe-building.
This Company is now prepared to furnish at short notice SAFES and BANK VAULTS, of every description, for Banking Institutions, Merchants, Firms and Individuals—all of which will be warranted Drill and Powder Proof, when secured with Lillie's Bank Locks.
Persons desiring Safes or Vaults, can be supplied with Day & Newell's Patent Bank Lock, can be seen at the office of W. W. WHITE, No. 16 Gravier street. L. C. DEVRIES, Agent, 84 Camp street.
