$800,000 TOLEDO AND ILLINOIS AND LAKE ERIE, WABASH AND ST. LOUIS RAILROAD COMPANIES FIRST MORTGAGE BONDS.—$800,000 of the Bonds of the Lake Erie, Wabash and St. Louis, and Toledo and Illinois Railroad Companies are now offered for sale, being the unsold balance of their Seven Per Cent First Mortgage Bonds.

These Bonds are part of a series of $3,400,000 issued by the two Companies on 243 miles of Road, extending from Toledo, at the head of Lake Erie, in the direction of St. Louis, and following the Maumee and Wabash Rivers to the State line of Illinois, from which points communication will soon be had with St. Louis by the Terre Haute and Alton Railroad, and with Springfield, the capital of Illinois, and with the terminus of the Hannibal and St. Joseph Railroad, on the Mississippi River, by the Great Western Railroad of Illinois, now far advanced toward completion.

The Bonds are payable on the 1st day of August, 1865, with interest payable semi annually in New-York, and are convertible into the capital stock of the Companies within six years from the 1st of August, 1858.

The cost of the Roads when completed will be $27,000,000—not exceeding $30,000 per mile for a road built and equipped in the most thorough and superior manner. Of this, $5,000,000 have been already expended on the Roads, and the Companies are free from floating debt, and have the means on hand to complete 120 miles of road, which will be opened for use during the month of June next.

This sum has been raised by the sale of Stock and First Mortgage Bonds, and of $1,000,000 of Second Mortgage Bonds, leaving undisposed of in the hands of the Treasurer $1,000,000 of the Second Mortgage Bonds and $800,000 of the First Mortgage Bonds—amply sufficient to complete and equip the line.

Without reference to the through business which this line must command, as the shortest route from St. Louis and Springfield to Lake Erie, it is universally conceded that it will possess the largest local business of any line west of Buffalo. The Valley of the Wabash has always been known as the richest portion of Indiana, and the county seats, through all of which the line passes, are the most populous towns in the State.

ALBERT S. WHITE, President.
EDWARD WHITEHOUSE, Treasurer.
WARREN COLBURN, Chief Engineer.

Death's thunders roll;
But thicker lie the dead
Where LYON'S POWDER 's shed.
Bugs ants and roaches fall—
They stand no chance at all.
The *cockroach's* discharge
Slays them, both small and large;
And rats and mice are killed
Where LYON'S PILLS are spilled.
