Paints, Oils, Glass, &c.

UNITED STATES FOUNTAIN LAMP and OIL Co., (late Mr. Vanderhoof, No. 36 Frankfort-st.) are now prepared to meet the demand for their truly wonderful Lamps, which require filling and trimming but once a week, designed for general family use, and railroads, churches, stores factories and saloons.
Secret Lamps with two and four wicks, for mechanics' use, give a brilliant and uniform light 24 consecutive hours without trimming.
The FOUNTAIN OIL is unequaled by any Oil in market for burning in any kind of Lamps; will stand a temperature of 32 degrees, and is an excellent lubricator of machinery.
For cotton and woolen spindles, locomotives, steam engines and beam lights, we can show by the most incontestable proofs that our No. 1 Oil, at $1 65 per gallon, is equal to any sperm in market, while our No. 2, at $1 25, is being extensively used by railroads and others, who were previously using the best of sperm.
Merchants and all interested, are invited to make a trial of our Oils and Lamps, and be convinced that these representations are true. Circulars, with reference to those who have used our Lamps and Oil, will be forwarded upon application.

BLAKE'S PATENT FIRE-PROOF PAINT.—The original and only genuine article that can be sold without violating my Patent, constantly on hand, both ground in oil and dry powder, at the General Depot, No. 119 Pearl-st., Hanover square, by the Patentee. WM. BLAKE.

COBURN'S EXTRA OIL is warranted of very superior quality for Machinery or Burning. Being unmixed and perfectly free from gum it works finely and perfectly satisfactory on machinery, and will burn equal to the best Sperm in Mechanical, Night and other Lamps. It has been in use now for the past eight years, and is a favorite Oil with our largest steamships, railroads, machine-shops, ferries, &c. Barrels 30 to 40 gallons each. Warranted uniformly good, or may be returned at the expense of (Coburn's only Agent.)

CHARLES STARR, JR., & Co., No. 117 Fulton-st. Manufacturers of and Dealers in Alcohol, Camphene, Phosgene, and Burning Fluid; also, Lamps and Chandeliers, all kinds.

ENGINEERS' OIL!—For burning or lubricating machinery, is warranted the best ever offered to the public, and produces a light far surpassing any oil heretofore discovered, destitute of smoke. This oil can be used on the finest cotton or woolen machinery, and is equally well adapted to the heaviest iron manufacture, machine-shop, railroad and steamboat. This oil is now in extensive use on all the above-mentioned machinery, and testimonials beyond a doubt can be produced of its great superiority over all other oil.

THE GREATEST MEDICAL DISCOVERY of the AGE!
Mr. KENNEDY, of Roxbury, has discovered in one of our common pasture-weeds, a remedy that cures EVERY KIND of HUMOR *from the worst Scrofula down to a common Pimple.* He has tried it in over eleven hundred cases, and never failed except in two cases, both thunder humor. He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.
Two bottles are warranted to cure a nursing-sore mouth.
One to three bottles will cure the worst kind of pimples on the face.
Two or three bottles will clear the system of biles.
Two bottles are warranted to cure the worst canker in the mouth and stomach.
Three to five bottles are warranted to cure the worst case of erysipelas.
One or two bottles are warranted to cure all humor in the eyes.
Two bottles are warranted to cure running of the ears and blotches among the hair.
Four or six bottles are warranted to cure corrupt and running ulcers.
One bottle will cure scaly eruptions of the skin.
Two or three bottles are warranted to cure the worst case of ringworm.
Two or three bottles are warranted to cure the most desperate case of rheumatism.
Three to four bottles will cure the worst case of scrofula.
A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.
Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed growing on the pastures and along old stone-walls, should cure every humor in the system; yet it is a fixed fact. If you have a humor, it has to start. There are no ifs nor ands, humo not ha's, about it, suiting some cases, but not young. I peddled over a thousand bottles of it in the vicinity of Boston. I know the effects of it in every case. It has already done some of the greatest cures ever done in Massachusetts. I gave it to children a year old, to old people of sixty. I have seen poor, puny, wormy-looking children, whose flesh was soft and flabby, restored to a perfect state of health by one bottle.
To those who are subject to a sick headache one bottle will always cure it. It gives great relief in catarrh and dizziness. Some who have taken it have been costive for years, and have been regulated by it. Where the body is sound it works quite easy, but where there is any derangement of the functions of nature, it will cause very singular feelings, but you must not be alarmed; they always disappear from four days to a week. There is never a bad result from it; on the contrary, when that feeling is gone, you will feel yourself like a new person. I heard some of the most extraordinary encomiums of it that ever man listened to.

NEW-YORK and MEXICAN STEAMSHIP LINE via HAVANA.—The Powerful Ships of this Line will consist of the New and Splendid Steamships OCEAN BIRD, 2,000 tons; UNITED STATES, 1,500 tons, and ST. LAWRENCE, 1,000 tons.
These Ships were built at New-York, and are thoroughly fitted and ventilated expressly for the trade, and in point of strength, speed and elegance, cannot be excelled. The OCEAN BIRD, after her first trip to New-Orleans, will run between New-York and Havana, and the UNITED STATES between the latter port and the ports of Sisal, Campeachy, Vera Cruz and Tampico (in Mexico) connecting semi monthly at Havana where passengers, treasure and freight, from the United States to Mexico, will be transhipped free of expense and vice versa.
This Line will commence with the OCEAN BIRD on the 1st day of November, 1855, and will also connect at Havana with lines of steamships from Liverpool and from Marseilles, via Cadiz. Persons traveling to any of the above ports in Mexico, will find this the quickest and most comfortable route; and those visiting Spain and the South of France and Italy, or any point in the Mediterranean, and desirous to avoid the bleak and strong gales of the North Atlantic Ocean, will find this route, via Havana, far more desirable—particularly during the winter months.
For HAVANA and NEW-ORLEANS, at Noon on THURSDAY, 1st November, the New and Splendid Steamship OCEAN BIRD, John Graham, Commander, will leave this port from Pier No. 37 North River, foot of Beach-st., as above stated. For freight or passage to any of the above ports, apply on board or to
JOHN GRAHAM, No. 516 Broadway,
(opposite St. Nicholas), or to
JOHN M. CEBALLOS, No. 77 Broad-st.
