IT IS A FACT, established beyond the shadow of doubt, by the experience and testimony of the most eminent physicians, that the Indian Remedy, Dr. Jayne's Vermifuge, is the most effectual one ever offered to the public for the expulsion of Worms, and thousands of children do annually from their use, who, but for this, would in all probability have died without a remedying disease. Various are the preparations which have been recommended as remedies for Worms, but experience has proved them all more or less ineffectual, or else they would long ago have ceased to be known, and a remedy found which has never failed to destroy Worms, wherever they have existed. The Vermifuge in question is supported by the testimony of the most eminent physicians and respectable individuals in the country. The remedy is

WINER'S CANADIAN VERMIFUGE,

WARRANTED PURELY VEGETABLE.

It is well to be aware that there are many counterfeits on the market. Some of the symptoms which indicate the existence of the Worms are to be noticed as follows: A pale countenance, or a flush on the cheek, and suffused with occasional flushes; the eyes are heavy and dull, the breath fetid, the upper lip swollen, itching in the nostrils, which causes the patient to pick the nose, a dry cough, disturbed sleep, grinding of the teeth, waking in great fright, and is liable to starting and grinding the teeth; the appetite exceedingly irregular, being sometimes voracious, and at other times it is entirely gone, etc.

To the following certificates numerous might be added, but it is believed that these are sufficient to convince the public that WINER'S CANADIAN VERMIFUGE IS A SUPERIOR REMEDY FOR WORMS.
