COMMERCIAL SUMMARY.

Domestic Markets.

REVIEW OF THE UNION MARKET FOR THE THREE DAYS ENDING ON THE 15TH INST.

COFFEE—The operations in C. Domingo reported last week comprised nearly all in the market, and sales since have been small for want of stock. A few hundred bags of Java in jute to the trade at 11¾@12c monthly, and 120 bags Maracaibo at 9¾@9¾c ⅌ lb. six months. By auction 100 bags Havana, prime, at 9 ⅌ lb. four months.....FLOUR—The receipts both from the South and West are moderate. Demand from the trade fair, and some sales for shipment at $4 75@$4 87½ for Ohio and Michigan, and at $4 75@$4 87½ for extra $5 25@5 62½ for common extra $5 75@5 87½.....200 bbls "Gardner," premium $6 37½.....900 bbls "Gilligan" for export to Australia at $8.....800 to 1000 bbls Richmond and Baltimore at $4 75.....Rye flour 250 bbls "Hope Mills" for shipment to Australia, not made public.....Canada Flour in bond $4 62½ cash; Rye Flour $4, and Indian Meal Brandywine, $3 25 ⅌ bbl. cash.....The market for Dry Cod has been very dull. Some sales of Dorings at $3 75@$4 for large, and $2 50@$2 75 for Small Fish dull and no sales.....Pollock $1 50@$1 75.....Hake selling at $2.....Transactions in No. 1 and 2 Mackerel limited, the stock being nearly exhausted. Inspected and delivered in the state the past week 1500 bbls, at about 1000 bbls at $7 87½@7 50 ⅌ bbl.....PROVISIONS—Sales of Beef at $11 50@$15 ⅌ bbl for Eastern and Western Mess.....Pork at $16@16 50 for Prime, $17 for Mess, and $18@18 50 for Clear Pork for market.....Sales of Lard in bbls at 8½@8¾ cash and four months; and in kegs 12@12½c.....Hams in better supply, sales from 10 to 12½c, the latter for packed for export.....Butter quiet at 14 to 16c ⅌ lb for common to choice quality.....FRUIT—Sales of 1000 bbls Smyrna Sun Raisins at $5.....200 bbls Currants at 12@12½c for prime cost and freight for the new crop six months by auction. 1736 drums Elema 200 sold at 5¾@5¾c ⅌ lb. four months. 700 drums Smyrna, 700 sold at 5c ⅌ lb. cash.....65 boxes Muscatel Raisins $2 12½ ⅌ box four months. 25 casks Pantelleria 20 sold at 8½c, four months. 50 bags Catania Nuts, 25 sold at 3¾c ⅌ lb. cash.....Cargo of bark Prompt, from Palermo, 230 tons Orange at 2 80@4 12½.....80 bags do at $4 55.....Sicily Almonds 5 @ 5 50@4 75 each, sixty days.....HEMP—Sales of Manila, a few hundred bales on landing, at 11½@ ⅌ lb. four months; taken to go to Canada. American dressed $180@190 ⅌ ton, six months. 200 to 300 bales Jute sold at 4½@4¾c, four months.....WOOL—The new clip of Fleece Wool is now being taken off in Ohio, Illinois, and other Western States, and a large portion having been sold before shearing, the sales are coming in tolerably active for the time of year, for good lots. There is but little excitement in the country. Although manufacturers and dealers are convinced that prices will rule high for the coming year, yet there is no evident probability of a further rise in prices, and the expectations to buy largely, or manufacture to purchase a year's supply. There has been an increased demand for Pulled Wool during the past week, and sales will amount to 300,000 lbs at former prices.

NEW YORK, June 14.....COTTON—The market is very dull. Only 800 bales were sold yesterday, and prices are about ¼c lower.....FLOUR—The demand is rather more active for Western and State Flour for export, but there is less doing for the home and eastern trade, and with very liberal arrivals prices are hardly steady. Southern flour is firmer, and the inquiry is good; sales of 700 bbls at $4 87½@5 06 for mixed to straight brands Baltimore, Alexandria and Georgetown, and $5 20@5 75 for fancy brands.....WHEAT—There is a fair demand for Western of late crops, and prices are firmer. The supply is limited; sales of 2500 bbls prime Ohio at 5s, and 10,000 bbls prime Red at $1 10½.....BARLEY—Is inactive and nominal at 80@85c.....OATS—Are poorly sold and dull at 34@36½ for State and Western.....CORN—Sales of 50,000 bbls Southern and Western at 56@57c, and Yellow is scarce; sales of 18,000 bushels at 56½@60c for unsound; 60@61 for Southern mixed; 62@64 for Western mixed; 65@66½ for Jersey White, and Southern Yellow 61@62c.....LEAD—The market is inactive. Outside prices nominally at 5c for but it cannot be realized.....OILS—Linseed is dull at 60c for whole parcels and 62@63c ⅌ gallon for lots.....Sperm is active at $1 32@1 35 for unbleached and spring, and $1 30@1 37 for crude.....Whale 32@33c.....PROVISIONS—The demand for Pork is better, and prices, and upward, the arrivals are temporarily light. Sales of 200 bbls at $15 87½ for Mess and $13@13 25 for Prime.....BEEF—Abundant, but good is more saleable and prices are upward. Sales at 50 bbls for country mess at $11 50@11 75 for city Mess and repacked Chicago, and $8@8 75 for country and city prime. Prime Mess is quoted at $18 to 20.....Beef Hams are dull at $12 to 15.....Cut Meats are steady and in fair demand at 6½@7c for Hams.....Lard is less buoyant and is quiet at 7½@ 7¾ for Ohio, and 16 to 20c for new State.....Cheese is in poor request at 8 to 9 cents ⅌ lb.....WHISKY—The market is nearly so. Sales of 150 bbls at 22½ for Jersey, 23 for Ohio, and 23½ to 23½ for Scioto. Drudge is easier. Sales of 50 bbls at 22½, time and interest.

MONEY MATTERS. TRADE, Etc.—The New York Evening Post of the 14th instant says: "Money is in moderate demand, with an abundant supply at 5, 6, and up to 7 per cent, but these rates include commission and brokerage, not as in tight times, exclusive.

"Sterling Exchange is moderately active at 109½ to 109¾.....Some few houses sell only at 109½, and there is heavy buy bills of the British Government offering at 110, of which a few have been sold at that price. This does not, however, prevent the influx of bar and ingot gold, of which from $900,000 to $800,000 will probably be sold to morrow.

"The bars are from California, assayed there, and the ingots from the Philadelphia mint.

"Government stocks continue in demand, with but few to be had. The stock of 1867 advanced ¼. Exchequers are rather heavy at ¼ decline. Harlem fell off ¼, notwithstanding the large receipts of the road. Phenix Coal declined ¾. Parker Vein advanced ¼. The general run of stocks sold at previous prices, with more activity. Books of the Ulster Lead Company were sold, and closed at full prices in active demand.

"Mechanick Mining stock sold at 4, which is fifty per cent advance."
