Set Him Right.

George Augustus Sala, the well-known English writer, on his last Australian trip, wrote as follows to the London Daily Telegraph:

"I especially have a pleasant remembrance of the ship's doctor—a very experienced maritime medico indeed, who tended me most kindly during a horrible spell of bronchitis and spasmodic asthma, provoked by the sea fog which had swooped down on us just after we left San Francisco. But the doctor's prescriptions and the increasing warmth of the temperature as we neared the tropics, and, in particular, a couple of ALLCOCK'S POROUS PLASTERS clapped on—one on the chest and another between the shoulder blades—soon set me right.

MONEY TO LOAN.

MONEY TO LOAN—In sums to suit on productive real estate. L. S. Provin, room 6, Lovett's block, opposite Sweet's hotel.

DO YOU WANT MONEY?—If so you will find it to your advantage to see us before borrowing.

We make loans on household goods, pianos, horses, wagons, or personal property of any kind at the lowest possible rates and in the quickest possible time.

Our loans are made without publicity and the property is left in your undisturbed possession.

Loans can be carried as long as desired or can be paid in full, or in part, at any time to suit your convenience, and any part paid reduces the cost of carrying the loan.

If you owe a balance on furniture, piano or other property, we will pay it up for you and carry it as long as you desire.

We also make loans on the building and loan association plan.

Our offices are the most pleasant in the city and are so arranged that parties calling upon us may be waited upon quickly and courteously.

Remember that you have the use of both the property and the money and can return the money at any time.
