The Line of Lakes.

The above name has been applied to the Wisconsin Central lines on account of the large number of lakes and summer resorts tributary to its lines. Among some of the well known summer resorts are Fox Lake, Ill., Lake Villa, Ill., Waukesha, Mukwonago, Cedar Lake, Neenah, Waupaca, Fifield, Butternut and Ashland, Wis. These lakes abound in numerous species of fish, such as black bass, rock bass, pickerel, pike, perch, muskallonge, while sportsmen will find an abundance of game, such as ducks, geese, quail, snipe, etc. In the grandeur of her scenery, the charming beauty of her rustic landscapes and the rare perfection of her summer climate, the state of Wisconsin is acknowledged to be without a peer in the union. Her fame as a refreshing retreat for the overheated, careworn inhabitants of the great cities during the midsummer months, has extended southward as far as the Gulf of Mexico and eastward to the Atlantic. Pamphlets giving valuable information can be obtained free upon application to A. A. Jack, D. P. A., Detroit, Mich., or James C. Pond, General Passenger and Ticket Agent, Chicago, Ill.
