To persons living in or laboring under miasmatic influence, even for a short period, in low, marshy districts, the Bitters are invaluable, as they not only strengthen the system so that it will resist the Chills and Fevers, at the same time they correct the secretions, give tone to the stomach, improve digestion, restore the appetite, cure dyspepsia and all diseases arising from a disordered state of the stomach.

☞ For the above remedies we publish no certificates of extraordinary cures performed by them. We will say to the public, they are all that they are represented to be. They are remedies that we have found in our practice to be, as with the most satisfactory results. The great demand for them, and the fact that they have stood our test for up to a period of twelve years, is conclusive evidence of their merit.

WINER'S CANADIAN VERMIFUGE A CERTAIN REMEDY FOR WORMS.

IT IS A FACT, established beyond the shadow of doubt, by the experience and testimony of the most eminent physicians, more than three-fourths of the diseases of which mankind are afflicted are caused by Worms, and thousands of children die annually from these diseases, when the cause is either not known or attributed to some other disease. Vermifuge has all along been recommended as a remedy for Worms but experience has proved them to be useless, and in some instances, worse than useless, as they have failed to destroy Worms, and in some instances, which has never failed to destroy Worms, whenever they have been used. This assertion is supported by the testimony of a host of the most eminent physicians and respectable citizens in the country. Thoroughly

WINER'S CANADIAN VERMIFUGE,

WARRANTED PURELY VEGETABLE.

It is safe in its operation, and most effectual in its action. Removal the symptoms which indicate the existence of the Worms in the bowels are—Pain in the Stomach and Bowels, with a tender, swollen and fulness with occasional Stools, the eyes are heavy and dull, the teeth foul, the upper lip or collar, itching in the nostrils, which causes the patient to sick the nose, the urine is deposed, the child is wasting in great flesh, and is liable to starting and grinding the teeth, the appetite is ravenously voracious, being sometimes voracious, at other times, and in some instances, depraved.

The above following certificates testimony might be added, but it is believed that these are sufficient to show that WINER'S CANADIAN VERMIFUGE IS A SUPERIOR REMEDY FOR WORMS.

MEDICAL EVIDENCE.

We, the undersigned, having frequently administered a medicine prepared to Mr. John Winer, of that town, designated J. W. WINER'S CANADIAN VERMIFUGE, and being fully satisfied with its efficacy, we do cheerfully recommend it as a safe and efficient remedy for the expulsion of Worms from the intestinal canal. G. O'REILLY, Lieutenant of the R. C. of Surgeons in Ireland, and Member of the R. C. of Surgeons in London, etc.
