FOR SALE.—450,000 FIRST MORTGAGE EIGHT PER CENT CONVERTIBLE SINKING FUND BONDS of the DUBUQUE and PACIFIC RAILROAD COMPANY.
The Road is situated in the State of Iowa, and extends from Dubuque (the western termination of the Galena and Chicago Railroad on the Mississippi River) in a due west course through Independence, Cedar Falls and Fort Dodge, to the Missouri River at the mouth of Big Sioux River.
These Bonds are issued upon a basis of more than $1,200,000, are dated April 1, 1856; are payable in 20 years; their interest coupons are payable semi-annually, in April and October; and they are secured by a deed of trust of the Road, equipment, stock and franchise of the first division of the line.
The Railroad Company is the recipient of 1,024,000 acres of lands of the most productive and inviting character.
The convertible privilege is therefore of great value, and the responsibility of the Company is unquestionable.
We recommend these Bonds to our friends as a first-class security.
Further information may be had of the undersigned, by whom they are for sale.
