WORCESTER, Mass., September 27, 1851.
This will certify that I have been afflicted with a pain in my stomach, and headache occasionally, for the last seventeen years. Hearing B. A. Fahnestock's Vermifuge recommended by a lady in Worcester, I was induced to try it. I took four vials of it, and, to my great astonishment, I passed about FORTY FEET OF TAPE WORM. I feel quite relieved of the disease in my stomach and head. In fact, I feel like a new man since the reptile left my stomach. I can recommend the Vermifuge as a highly valuable and safe medicine. It is very mild in its operation, and perfectly safe and harmless.

WINER'S CANADIAN VERMIFUGE
A CERTAIN REMEDY FOR WORMS.
IT IS A FACT, established beyond the shadow of doubt, by the experience and testimony of the most eminent physicians, more than three-fourths of the diseases with which children are afflicted are caused by Worms, and thousands of children die annually from these diseases, when the cause is either not known or attributed to something else. Various preparations which have been recommended as remedies for Worms, but experience has proved them of more or less ineffectual; the evil sometimes lasts at length been aided, and a remedy found which has never failed to destroy Worms, wherever they have existed. This assertion is supported by the testimony of the most eminent physicians and respectable individuals in the country. The remedy is
WINER'S CANADIAN VERMIFUGE,
WARRANTED PURELY VEGETABLE.
It is safe in the youngest infant, and in the most advanced age; the symptoms which indicate the existence of the Worms in the bowels are as follows: the countenance is pale, of a leaden color, and suffused with occasional flushes; the eyes are heavy and dull, the breath fetid, the upper lip swollen, itching in the nostils, which causes the patient to pick it with the finger; the appetite is disturbed, the patient often awakening in great fright, and is liable to starting and grinding the teeth; they are sometimes exceedingly irregular, being sometimes voracious, others feeble, and a cough is almost always present.
To the following certificates numerous might be added, but it is believed these are sufficient to establish the fact that WINER'S CANADIAN VERMIFUGE IS A SUPERIOR REMEDY FOR WORMS.
MEDICAL EVIDENCE.
We, the undersigned, having frequently administered a medicine prepared by Mr. John Winer, of this town, designated J. WINER'S CANADIAN VERMIFUGE, and being fully satisfied with its efficacy, confidently recommend it as an efficacious and efficient remedy for the expulsion of Worms from the intestinal canal.
Licentiate of the R. C. of Surgeons in Ireland, etc.
Member of the R. C. of Surgeons in London, etc.
FROM THE REV. J. FLANAGAN, OF SANDBOOK, C. W.
J. WINER—SIR: I have made the trial of your Canadian Vermifuge and with the same happy results. In my own family, and in every case which has come to my knowledge, the expulsion of Worms has followed the administering of your Vermifuge, and every one here prefer it to any other, as its effects are certain, and children take it more readily, which is a great object gained in giving medicine to children.
July 14, 1851. JOHN FLANAGAN.
☞ Physicians generally now use WINER'S CANADIAN VERMIFUGE. The medicine is a simple vegetable preparation, and can always be administered to children of any age with safety; the result, as it will always destroy Worms and restore the patient to health.
Over one thousand certificates have been sent to Agents from planters, merchants and physicians, bearing testimony to the efficacy of this infallible remedy. Warranted in all cases.
Prepared only by JOHN WINER, Manufacturing Chemist and Wholesale Druggist, Hamilton, Canada West.
