BY THE AUTHOR OF "NOTHING TO WEAR."

D. APPLETON & Co. publish this day a striking Society Poem of universal interest, entitled

"TWO MILLIONS!"

By WILLIAM ALLEN BUTLER, ESQ.,

the popular author of that most spirited and successful production,

"NOTHING TO WEAR,"

which had so extraordinary a circulation on both sides of the Atlantic, and was everywhere quoted, applauded, and imitated.

"TWO MILLIONS"

is distinguished by all the brilliant characteristics of the writer as to wit, force, and tenderness, and will be found in all respects equal, if not superior, to

"NOTHING TO WEAR."

"Look through the world which all about you lies,
The noisy town, its common, daily life,
Finished with coarse passions, hot with selfish strife,
The crowded street, the dens of vice and want,
The gilded halls where pride and fashion flaunt,
And from their mingled threads, the grave, the gay,
Weave, if you will, the epic of to-day."

"TWO MILLIONS."

A SMALL, ATTRACTIVE 12mo.,

In FANCY BOARDS, 50 cents.

"BRIGHTLY'S UNITED STATES DIGEST."

An analytical DIGEST of the LAWS of the UNITED STATES, from the adoption of the Constitution to the end of the XXXIVth Congress—1789 to 1857. 1 vol. imp. 8vo., 1,142 pp. Price only $6.

From the Hon. R. B. Taney, Chief Justice of the United States.

"It is a work of much value and well executed. The heads under which the different Acts of Congress are arranged, are well chosen and appropriate; and what is still more important, the Index, so far as I have been able to examine it, is complete. The book has evidently been prepared with much care and judgment, and will, I doubt not, be very acceptable to the public."

From the Hon. James M. Wayne, Associate Justice of the Supreme Court of the United States.

"I have purposely postponed my acknowledgment to you for Mr. Brightly's Analytical Digest of the Laws of the United States, to enable me to test the fidelity of its execution and its usefulness. Mr. Brightly has succeeded in bringing the Laws of the United States into a single volume, so that we may see not only what the legislation of Congress has been, but what it is; with such marginal references to the Statutes at Large that the text of the Digest may either be verified or disproved, if any instance of the latter case be done. I have used the Digest constantly at the term of the Supreme Court. It has saved me much labor and trouble. As a whole it has been well done by Mr. Brightly, and it deserves the special patronage of lawyers and magistrates, and of all persons engaged in public life, as well as those who have no professional business, who are, nevertheless, under some obligations to have by them at all times the readiest means of learning what has been the legislation of the Congress of the United States. I am sure I shall always use Mr. Brightly's Digest officially and in my study."
