B. A. FAHNESTOCK'S VERMIFUGE used at the last moment with success.

WASHINGTON COUNTY, Pa., November, 1852.

A neighbor of mine was afflicted for years with Worm Fits, and attending it exerted all his skill for its recovery, but without avail. They sent to Canonsburg for Dr. L., who came over to my place, and upon an examination of the case, approved of all the advice of his brother and done, but could do nothing more at it. The child was given up. Dr. L. said that there could be no risk in trying FAHNESTOCK'S VERMIFUGE, and that there could be no risk in trying FAHNESTOCK'S VERMIFUGE, and that it would do good, but better go home. They went to my store, and procured some. After a minute or two the first bottle, another I gave them, and they left. In a few days I heard that the child was well. I inquired of the parents, and they said that it will cure you, no matter how long you have been suffering.

What Dr. Owen, Druggist and Apothecary of several years standing, says about Bull's Sarsaparilla!

LOUISVILLE, May, 1848.

MR. JOHN BULL—*Dear Sir:* I have been for several years severely afflicted with a Mercurial Rheumatism and a dull heavy pain in my Liver. I now almost all the remedies of the day, especially the Sarsaparillas prepared by different persons, but all to little or no advantage, until I chanced to meet with yours, three bottles of which gave me more relief than all the others combined.

I therefore take pleasure in recommending your Sarsaparilla to the afflicted community as a superior article.

Very respectfully, J. H. OWEN, M. D.

R. RHEUMATISM.

Let all those who are suffering under the agonizing tortures of Rheumatism read the following and see what may be done for them, if they will use this full-blooded remedy:

MR. JOHN BULL—*Dear Sir:* For the last three years I have been afflicted with Rheumatism of the most acute character. I was at times in the greatest agony of pain; I tried every remedy I could procure for the disease, but without any permanent relief. I was induced to use your preparation of Sarsaparilla, which has entirely cured me of Rheumatism and greatly improved my general health, more than any medicine I have ever used. I have now been free from Rheumatism, and have no doubt the cure is permanent, and I confidently recommend the bottle of best medicine to me for Rheumatism. WM. SHAM BRIDGES.

FROM DR. WM. T. PRENTISS.

MR. BULL—In regard to your Sarsaparilla, I will say that I have used it to some extent in numerous affections of long standing, as Tinea Capitis, Lupus, Psoriasis, Scabies, Syphilitic Cachexia, and in all diseases where the indication of its exhibition is a thoroughly strengthening reconstitution of the fluids of the body, with considerable success, in connection with local treatment. I think it would prefer it to any other preparation of Sarsaparilla in use, and any preparation of the kind I can upon be assuming the substance that number into its composition.

W. T. PRENTISS, M. D.

Lewisport, Ky., December 4, 1847.

NOTICE TO FEMALES.

John Bull's Sarsaparilla is one of the greatest Female Medicines now discovered. In those numerous cases where the system is debilitated, the nervous energy is lessened, when the efforts of nature are weak and deficient, or are profuse or overwrought, when the face is pale and colorless, the stomach feeble and yielding, the spirits troubled and depressed, the health broken, mind shaken, and consequently the happiness destroyed, then Bull's Sarsaparilla is a sovereign remedy. It assists nature in the performance of her duty, renews the whole system, restores permanently the natural energies, removes obstructions, checks excesses, creates pure and healthy blood, and imparts health and happiness. Were ladies generally to adopt the use of this medicine, we would see far less suffering, disease and unhappiness among them than now exists; health would take the place of disease, the rosy cheek would succeed the pallid face; we should have smiles instead of tears, and perhaps a long life, instead of one cut short by disease, or made miserable from continued suffering and affliction. At that critical period to round the "turn of life," which is often attendant with so much danger, Bull's Sarsaparilla is found to be invaluable. Let all ladies who are approaching this crisis should be apprised of this fact, and avail themselves of this valuable medicine.

A BEAUTIFUL CLEAR SKIN.

How we all admire a clear, beautiful white skin, and a rosy cheek! How often do we see persons not possessing this desideratum so devoutly to be wished, resorting to cosmetics, lotions, washes, paints and coloring materials, to assume to them a semblance of that which disdains art, and which alone is the result of health, free from disease or injury to the skin! The fact is, Bull's Sarsaparilla is the best cosmetic known. It works from within to without upon the current and only true principle, and by making the skin healthy, it imparts a healthy tint which serves to close the pores and check a natural perspiration, at by removing every impurity and diseased matter contained in the blood, making the same pure, healthy and vigorous, giving activity to every minute vessel, and changing the yellow, dark and sallow complexion to the bloom and freshness of youth. If the ladies generally could be apprised and convinced of this fact, they would abandon the use of all pomade, improved and lotions, and use the only efficient remedy. A word to the wise is sufficient, and a word is enough for the ladies.

BETTER TESTIMONY THAN WAS EVER OFFERED IN FAVOR OF ANY MEDICINE!

FROM MR. JAMES M. MOORE.

MR. JOHN BULL—I have no hesitation in saying that I believe your Sarsaparilla to be the best article ever manufactured for the cure of Scrofula, Syphilis, and such other diseases as are generally attendant upon these, having used it with entire success in a number of the above cases.

Louisville, December 10, 1847. JAMES M. MOORE.

MORE TESTIMONY FROM DR. MOORE.

MR. JOHN BULL—I am using your Sarsaparilla in several new cases of Scrofula, Syphilis, and Tinea Capitis, and I find it to be one of the most efficacious medicines that can be made for that disease.

Winchester, Ky., Feb. 1, 1848. JAMES M. MOORE, M. D.

Testimony like the following renders unnecessary all other comments upon the efficacy of Bull's Sarsaparilla:

FROM DR. L. P. YANDELL, PROFESSOR OF CHEMISTRY IN THE LOUISVILLE MEDICAL COLLEGE.

I have looked over the list of ingredients composing John Bull's Compound Extract of Sarsaparilla, and I see no reason for saying that they form a safe compound, and one that polonious well in chronic disease, to which it is applicable. L. P. YANDELL, M. D.

Louisville, June 6, 1848.

What Dr. Foles Physician by appointment of the Louisville Marine Hospital, says of Bull's Sarsaparilla:

LOUISVILLE, March 20, 1849.

I have examined the prescription for the preparation of John Bull's Sarsaparilla, and believe the ingredients to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it both in public and in private practice, and find it the best article of Sarsaparilla in use.

M. FYLES, M. D.

Resident Physician at the Louisville Marine Hospital.

This Medicine is daily proving its efficacy in all those diseases, throughout the country, resisting to the disease and youthful vigor the sick and afflicted—may, those that are grievously tormented.

Certificates are pouring from all sections from moneyed and high moral standing, placing it, from its intrinsic worth, the very best of all remedies ever before the public.
