"Royal Ruby" Port Wine.

The feebler the constitution, the more susceptible the system is to the causes of disease, and the less competent it is to struggle with sickness. Hence where there is a deficiency of natural stamina the physique should be protected and strengthened by the best invigorant that nature produces. Insist on your druggist or dealer giving you "Royal Ruby" port wine; accept no other "just as good" which they may offer you.

The pure Oporto grape juice, old, rich and mellow, has that fruity taste so seldom found, no matter what price is paid. Quart bottles $1.00; pints 60 cents. Sold and guaranteed by White & White, Thum Bros. & Schmidt, leading druggists.

WONDERFUL CURES!

Of the Famous Specialist.

NOTHING MEAN ABOUT US!

ADVERTISING PHYSICIANS!

In the Detroit Free Press June 7, sixth page, under the head of "Distinguished Doctors," we see the names of the members of The American (Alopathic) Medical Association, who are meeting in that city, and the specialties in which they are engaged, and also the pictures of 28 of those who can afford it.

If this is their advertisement, and we think it is, we wish to congratulate the principal physicians among the Alopaths for their success as advertising physicians, and we feel sorrow for the common herd of Alopathic physicians who do not DARE to advertise. What does this meeting amount to, anyway? Is it anything more than a mutual admiration society and a free advertising scheme for its members? Will the rest of the Alopathic physicians call them "quacks" after this? We hope not, as the members of the American Medical Association have as much right to advertise as Dr. S. CLAY TODD, and we wish to congratulate them on their success as Advertising Physicians.

DR. S. CLAY TODD,

The Famous Specialist. Office and Dispensary, 16 North Division street, up stairs. Rooms 1, 3 and 4, Grand Rapids, Michigan.

Dr. S. Clay Todd's medicines are all freshly prepared by the Doctor in person, every day but Sundays.

Dr. S. Clay Todd can be consulted free of charge at the office, or by letter, every day but Sundays.

TERRIBLE

BACKACHE

CURED

I had a terrible steady backache for four years without any let up at all; sometimes I could hardly straighten up. Could not ride in a wagon on account of the greater pain from the jar of the wagon, and have walked rather than ride. I have now been under the treatment of Dr. S. CLAY TODD, 16 North Division street, Grand Rapids, Mich., ten days and yesterday I rode 25 miles and nine miles today in a wagon without pain at all—the first time for four years. I would cheerfully recommended Dr. Todd to those who have great pains in their backs.

That cough, slight fever and weakness, shortness of breath, palpitation of heart, my means sure and quick consumption.

If you are nervous, restless, irritable, sleepless or wake after horrid dreams, tired mornings, with a dull headache, bad taste in the mouth, sometimes discharges, and so about your employment without life, energy or ambition, desire to be alone, gloomy forebodings, a disposition to worry and fret about trouble ahead that never comes, spells of feeling afraid or uncertain, sometimes low spirits, you are suffering from nervous debility and exhaustion of nerve power, which may end in utter prostration, insanity and death.

If you have a great sense of weakness and weariness, with tired limbs, numbness, trembling, prickly sensations, cold feet and legs, you are advancing to that most serious disease—Paralysis.

If your head aches, feel numb and tired, with strange sensations, loss of memory, and you think with difficulty or you are sleepless at night, with drowsiness and dullness during the day, the nerve and brain fatigue may soon run into insanity or death.

If you have any of these feelings do not neglect them, or they will end in paralysis, insanity, prostration or death.

Rupture in Scrotum Cured.

Our little boy was cured of Rupture in Scrotum by Dr. Clay Todd, 16 North Division street, Grand Rapids, Mich. We are so glad because Johnie was always in so much pain, and cried all the time, but now his rupture is all gone and he is always happy and runs about and jumps and plays.
