HOTELS—RESTAURANTS.

OCEAN SPRINGS, MISS.—The undersigned, having leased for a term of years the newly furnished and highly valuable Mineral Springs, respectfully informs the public that he has opened a large and commodious Hotel for the reception of permanent and transient boarders. During the past winter extensive additions have been made to the Hotel, and no effort has been spared to make it in the highest degree comfortable. Attached to the Hotel are to be found Billiard Rooms, and other amusements, usually found at watering places, while the fishing and sea bathing cannot be equaled in the Southern Country. The analysis of the water of these Springs, as made by a distinguished chemist, proves that it contains the medicinal qualities of the celebrated Chalybeate springs of Virginia, and subjoined hydrogen exists to a considerable extent, and many persons suffering from chronic disease have been restored to health by the use of this water. The steamer Creole will ply between New Orleans and Ocean Springs during the summer, starting from the Lake end of the Pontchartrain Railroad. L. JENNINGS.

GREEN OAKS HOTEL, Biloxi, Miss.—This famed and popular Summer Resort, so generally known throughout the Southern country, under the management of Mrs. ELIZABETH PRADAT and her son, JOHN E. PRADAT, situated about one mile distant from the village of Biloxi, will be opened on the 1st of June for the reception of visitors.

The "GREEN OAKS" is now well known as a medical extended notice. For many years the popularity of the establishment has been unusually increasing. The many natural advantages, commanding the finest water prospect on the Coast, and the pure and healthy water as it flows from the Gulf, have not failed to impress favorably the many visitors from New Orleans, Mobile, and the surrounding country.

During the Winter the proprietors have spared no pains in improvements and additions. The BILLIARD ROOMS are throughly arranged and fitted up, and SALL ROOM will be ready for the reception of the visitors, free of charge—also, CLARET at Dinner.

The CARRIAGES, HORSES and BOATS are reserved at any moment, and a HALL may be expected twice every week.

Visitors will be to stop at GREEN OAKS, are requested to notify the Captains of the Steamers who will land them at the wharf of the Hotel.
