Five Points House of Industry.
A CARD.
We are frequently called to account in the following manner: Some one calls at the Institution and says, "We sent you, Sir, a donation of provisions (or money) on such a day, but you did not acknowledge it."
Our explanation in most cases is this: There are two Mission Homes at the Five Points; our building is called *House of Industry* (Mr. Pease's), the other building is called *Five Points Mission* (Methodist). If our friends about to send us a contribution should direct it to "Five Points Mission, N. Y.," it would NOT reach Mr. PEASE's institution, but would go to the Methodist institution, and of course we could not acknowledge its reception, because the two houses have no connection. Donations intended for us should be directed, "L. M. PEASE, or B. R. BARLOW, House of Industry, N. Y." Grateful for the liberality of our friends, we feel bound in justice to them and to ourselves to make this statement.
B. R. BARLOW, Superintendent.
L. M. PEASE, General Agent.
