MARY.—In pursuance of an act of the State of Michigan, entitled "An act to provide for the repairing, preservation and operating of the Ship Canal around the Falls of St. Mary, and to perform the trust respecting the same," approved February 14, 1859, the undersigned Governor and State Treasurer of said State, hereby give notice that on Monday the twenty-fifth of April next, they will offer for sale to the highest bidder, bonds of the State of Michigan of not less than one thousand dollars each to the amount of one hundred thousand dollars, for the purpose mentioned in said act, duly executed according to the requirements thereof, the principal redeemable in the City of New-York at the pleasure of the State in twenty years from the 1st day of July next, and the interest payable half yearly at SIX PER CENT PER ANNUM in said city. The tolls and income of said Canal, after paying the expenses of the care and operating thereof, are by the Statute pledged and devoted to the redemption of the Bonds, and the faith of the State is pledged for their payment. Persons wishing to bid for said Loan will please address their proposals to the undersigned, State Treasurer, at Lansing, Michigan, which will be opened by the Governor and himself, at the Artisans' Bank, in the City of New-York, where the negotiation will be completed.

Persons to whom said loan, or any part thereof, may be awarded, will be required to deposit the amount thereof to the State Treasurer of the State of Michigan in such Bank as he may designate at the time and place the bonds are delivered. Said act is in the following words:

"AN ACT to provide for the repairing, preservation and operating of the Ship Canal around the Falls of St. Mary, and to perform the trust respecting the same.

Whereas, By an act of Congress approved August 26, 1852, the Congress of the United States granted the right to locate a Ship Canal around the Falls of St. Mary, and also seven hundred and fifty thousand acres of the public lands to aid in the construction of said Canal; and

Whereas, The said act was accepted by, and the conditions thereof made obligatory upon this State, by an act approved February 5, 1855; and

Whereas, Such Canal having been built and accepted by the authorities of this State, is found to need repairs in order to its preservation and usefulness, and the due performance of the trust created by said act of Congress, and the assent of this State thereto; therefore

SECTION 1. *The people of the State of Michigan enact*, That the Governor and State Treasurer are hereby authorized and directed in the name and behalf of the people of this State to negotiate and contract for a loan or loans not exceeding in all one hundred thousand dollars, redeemable at the pleasure of the State, at any time after the expiration of twenty years from the first day of July, in the year one thousand eight hundred and fifty-nine, on the best and most favorable terms and conditions that in their judgment can be obtained, at an interest not exceeding *six per centum per annum*, payable half yearly, to be expended and applied solely in making, from time to time, such repairs upon the locks, gates and walls thereof as the Board of Control created by the act entitled "An act to provide for the collection of tolls and for the care, charge and operating of the St. Mary's Falls Ship Canal," approved February 12, 1855, may deem necessary for the preservation and efficient operation of said Canal, and for the full performance of the trust now imposed.

SECTION 2. For the purpose of effecting the loan or loans aforesaid, the Governor and State Treasurer are hereby empowered and directed after having first advertised for such loan in one of the daily papers in the cities of Detroit, Boston, New-York and Pittsburgh, for at least thirty days prior to negotiating said loan, to cause to be made and issued, bonds in sums not less than one thousand dollars each, to be signed by the Governor and countersigned by the Secretary of State and State Treasurer, with the great seal of the State affixed thereto; which said bonds shall be drawn in favor of the Auditor-General, and being indorsed by him shall become transferable and delivered to the Governor and State Treasurer, and be transferable by them in such form as they shall decide to be redeemable as aforesaid, and to bear interest as aforesaid, payable on the first day of July and January in each year in the city of New-York, or elsewhere in the United States, should the Governor and State Treasurer find it convenient and advantageous so to contract; and it is hereby further declared that it shall be deemed a sufficient execution of said power to borrow, that the Governor and State Treasurer have caused such bonds to be executed and sold. *Provided*, That said bonds shall be sold to the highest bidder, but shall not be sold at less than par; and the money obtained from said loan shall be paid over to the State Treasurer, and shall constitute a part of the St. Mary's Ship Canal fund, to be applied and used for the above named purposes and for no other purposes whatever for which application of such money the faith of the State is hereby pledged.

SECTION 3. All the tolls and other income from the said St. Mary's Falls Ship Canal, after paying the actual and necessary expenses for the care and operating of the same, are hereby pledged and devoted to the payment of said bonds, principal and interest, as the same shall fall due; and the State hereby guarantees the payment of the principal and interest of such bonds, and each and every of them, out of such tolls and income, and pledges its faith that, in default of such payment, it will unconditionally pay the same without delay.

SECTION 4. All necessary contingent expenses incurred by the Governor and State Treasurer in carrying out the provisions of this act shall be audited by the Board of State Auditors, and paid out of any moneys in the Treasury not otherwise appropriated, and be charged against said Canal fund. *Provided*, however, That the State Treasurer shall not, as a member of said Board, vote in auditing any claim under this section.

SECTION 5. The bonds, the issue of which is authorized by this act, shall be numbered and registered in a book to be prepared for that purpose by the Auditor-General in his office, which register shall contain the number, amount, and when each bond becomes due, the rate of interest, and when and where the interest is payable; and each bond shall contain a copy of the third section of this act.

SECTION 6. This act shall take effect immediately.
