Special Notices.

Rev Geo. B. Cheever, D. D.—DEAR SIR: We, your fellow-citizens, have been deeply interested in those especial labors in which you have been prominently engaged during too last two or three years with reference to American Slavery. Without having heard or carefully read all you have preached or written on this subject, we know generally that your labors have eminently tended to establish these truths: First, that the Word of God is, to a degree countervailing any system, usage or institution essentially resembling that Slavery which exists throughout a large portion of our own country; secondly, that Christianity is essentially, vitally, irreconcilably at war with such Slavery, and that any true and pure Church is necessarily its antagonist; thirdly, that it is the imperative duty of the organized Christianity of our land to war against such Slavery, systematically, unremittingly, uncompromisingly, so long as the iniquity shall continue to exist. We therefore, in testimony of our profound appreciation of your labors and sacrifices in the cause of Christian Purity and National Righteousness, respectfully invite you to repeat, at such early day as your convenience may suggest, one or more of your recent discourses on the subjects just indicated, in the great hall of the Cooper Institute, where some thousands of our fellow-citizens may share with us the interest and profit of hearing you.

We are, with profound esteem, yours,

HORACE GREELEY, JOHN JAY, WM M. EVARTS, EDGAR KETCHUM, R. R. MCCURDY, [Rev.] ED. H. CHAPIN, CHAS. W. ELLIOTT, JOSEPH HOXIE, G. G. STILLMAN, BENJ. F. MANIERRE, GEORGE WILLIAM CURTIS, [Rev.] A. H. BURLINGHAM, R. BILDERSTIN, DEXTER FAIRBANK, E. W. CHESTER, EDWARD GILBERT, SYDNEY H. GAY, CHAS. T. CONGDON, SAML. SINCLAIR, [Ex-Gov.] MYRON H. CLARK, WM. CURTIS NOYES, [Rev.] H. WARD BEECHER, [Rev.] THOS. S. HASTINGS, JAMES HUMPHREY, WM. ALLEN BUTLER, OLIVER JOHNSON, JOHN W. EDMONDS, CHAS. A. DANA, S. P. TOWNSEND, SIMEON DRAPER, A. W. MORGAN, [Prof.] SENJ. N. MARTIN, [Rev.] T. BOURNE, HENRY A. HART, M. D., JAMES O. BENNETT, EDWIN WEST, M. D., JAMES FAIRMAN, FRANKLIN J. OTTARSON, And others.

NEW-YORK, April 1, 1859.

MESSRS. HORACE GREELEY, JOHN JAY and others.

GENTLEMEN: I am truly grateful for this kind invitation, and rejoice in the opportunity of acknowledging it, were it only to signify my hearty and hopeful recognition of the principles so admirably expressed. I am sure that, if we can get at the masses with the testimony of the Word of God against the iniquity of Slavery, it will soon be swept from the land. I shall be most happy to respond to this request in one or more lectures, as may be thought best, commencing Wednesday evening, April 6. Most respectfully and truly yours,

GEORGE B. CHEEVER.

In accordance with the terms of the foregoing correspondence, the Rev. GEORGE B. CHEEVER, D. D. will deliver a discourse upon "The Logic of the Word of God against Slavery as Man-Stealing," in the great Hall of the Union, Cooper Institute, on WEDNESDAY EVENING, April 6, at 7½ o'clock.

To Coachmakers.
RAHWAY, April 4, 1859.
The Coachmakers of this city would inform our brethren in other places that we are on a strike for better prices, and as advertisements have appeared calling for workmen to come to this place, we deem it our duty to inform others of our craft of the facts in the case, knowing that no honorable man will come here to take work while the strike lasts. The prices now paid are from 20 to 50 per cent below what was received before the panic of 1857. By order of the National Coachmakers' Association.

BRADSTREET'S COMMERCIAL REPORTS,
FOR BANKERS AND BUSINESS MEN.
The fourth Semi-annual Volume of this valuable record of credits, which was published on the 15th of January, having been exhausted by a rapid and extensive demand, a second edition of said volume, revised and corrected, has been issued, and is now ready for delivery to such as have not already supplied themselves with the work.
Several hundreds of the best Bankers and Merchants in different cities of the Union have assisted in perfecting this REFERENCE RECORD, thus making it a veracious and reliable compend of the pecuniary condition and prospects and business capacities of about 22,000 MERCANTILE FIRMS, in TWENTY-SIX of the PRINCIPAL CITIES and CENTERS OF TRADE in the United States.
The New-York Merchant or Banker will ascertain by a Key accompanying the Book, the grade of credit, character, habits, and capital of such as will be likely to deal with him, while the out-of-town Merchant will learn with accuracy the exact foundation on which the New-York houses base their business.
To provide for any possible errors that might occur in a work so GIGANTIC IN DETAIL, and to keep purchasers informed of the changes that must necessarily take place, the Proprietors issue a PRINTED SHEET OF CORRECTIONS EVERY WEEK.
The time and trouble such a work must save, the losses it must prevent, and the influence it must have in securing a sound and profitable trade, make it invaluable to Wholesale Merchants, Manufacturers, Note Brokers and Banks of Discount; and yet the whole, including the two Semi-annual Volumes, the Sheet of corrections and the facilities of the Office, are furnished to subscribers at ONE HUNDRED DOLLARS per annum.
Full particulars, not embraced in this advertisement, may be obtained at the Office of the Proprietors and Publishers,

NEW MUSIC.—"Oh Boatman, Haste," a barcarole, by M. W. Balfe, and "Good Night, Beloved," by the same composer—two really good songs, which are already very popular. "Beautiful Giant" and "Happy be Thy Dreams." "The Thoughtless Vow," and "The Three Homes." These are all excellent ballads, by Mr. J. R. Thomas. Though they are in the popular and pleasing style, yet they are musician like, and creditable to the genius of this excellent composer. "The Fairy Maiden," "Kelvin Grove," variations, "Passatini's Andante Amoroso," transcribed for the Piano, and "Twilight," a romance, are all very useful and beautiful works from the pen of Wm. Vincent Wallace. "An Imitation of the Banjo," in the form of a polka, by Albert H. Wood. "La Danse des Oiseaux Étude" and "La Ronde des Archers," march, by Lefebure Wely. "Marche de la Reine," by Archer. "The Welcome Light," a transcription of Thomas's beautiful song, "Some One to Love," by S. Brandeis, and "La Forge et Le Rouet," caprice de genre, by A. Croisez, are all excellent works, and worthy careful and attentive study.
The above are all from the press of

between Spring and Prince-sts.
This firm have deserted their old place of business, corner of Broadway and Park-place, where they have been known for upward of 20 years, and have moved up to a new and more convenient store, between Spring and Prince-sts. The success of the Driggs's Patent Pianos, has obliged them to find larger and more convenient warerooms. The new store is very spacious, and is beautifully fitted up.

"Sheldon & Co. have just published a book of great interest to all the friends of Missions. It is the Life and Times of Carey, Marshman and Ward, embracing the History of the Serampore Mission, by John Clark Marshman, in two volumes, octavo. This book carries the reader over the most important and trying times of the great moral movement in the East; reviews the lives and labors of most eminent men who have contributed to its progress, and thus draws the picture of one of the great dramas in the world's history. It is to be studied with profound attention by the Christian philosopher, and the philanthropist while every Christian will peruse it with gratitude and joy. If fidelity may ignore or despise the work of missions, but her we have the proof of what has been done, and may be done to elevate mankind by the simple power of the Gospel of Jesus Christ. These volumes ought to be added to every religious library, and made familiar to the whole community."
