B. ANTOGNINI, MANUFACTURER OF BILLIARD TABLES, Etc., Nos. 12 and 14 CONTI STREET, between Chartres and Levees, Begs leave to inform the amateurs and proprietors of Billiards, that he is now ready to furnish them with Billiard Tables of new kind, and superior to all those which have heretofore been in use, whether manufactured in France, or in the North or West of the United States. The reports which he receives every day called upon to make to Billiard Tables coming from those countries, have enabled him to ascertain the kind of construction which is best suited to resist the temperature of humid climates. The table and beds of a Billiard being generally the parts which are most liable to deterioration, particular attention has been paid to the construction of those parts. Every Billiard built by him has a Mahogany table, combined with Oak, Cherry and Hickory, thus warranting them from wrapping in any climates. The benefits are made of Patent India Rubber, invented by him, and far superior to the French cabinet-choice used in different manufactories. The india rubber cushions have been used by him since 1849, and have always given satisfaction. Gentlemen may satisfy themselves of the above by visiting his establishment, where they will always find mounted Billiard Tables, ready for playing, and they will convince themselves of the truth of the above. EVERY BILLIARD TABLE BOUGHT FROM HIM IS WARRANTED FOR A NUMBER OF YEARS LIMITED BY THE PURCHASER. He has constantly on hand a great variety of NEW AND SECOND-HAND BILLIARD TABLES. Also—BALLS and PINS for the TEN-PIN ALLEYS, complete lots GAMES, etc., etc. Also—EIGHT LEG BILLIARDS. ☞ Persons unable to come to New Orleans, and who may desire to procure any of the above-named articles, have only to communicate with the undersigned, and their orders will be promptly attended to. B. ANTOGNINI, who will execute them satisfactorily. B. ANTOGNINI has also the honor to inform his friends and the public in general, that in consequence of an arrangement with one of the largest manufacturers of Billiard Cloth, he has on hand a large quantity of that cloth for Billiard Tables, which he is prepared to sell at an exceedingly low price. The extension of his house, and the relations which he has established, and continues each day to establish, with the best manufacturers of France and the United States, enable him to sell all articles on his premises below the current rates. oct18

DR. WATSON'S CARD.—I will use no other words in the advertisement than what may be found in plain truth by length of practice I have become master of all those complaints that are called Syphilitic. For nearly fifteen years, in this city, it has been my sole business to treat those cases; there lies the only merit that I assume. I have given consideration to one class of diseases than any other doctor, and I know them better than they do. That is what I am speaking of, and one which no one has ventured yet to accomplish. STRICTURES, NODES, ULCERS, SORES, ULCERS, SORE THROAT, Etc., etc., are treated in a manner to demand the commendation of daily observation, which I can say without vanity, for I claim no other merit than that of experience. I offer a simple convenience, a few days, and find no difficulty in cases of longer duration, without submitting the patient to such a course of treatment as will drive again into the circulation, or oblige him to keep his room, whether without doors or within. The diet even need not be altered. There are in New Orleans hundreds that could testify positively to these are matters that require the nicest secrecy, which I always inviolably preserve. I have many testimonials which I do not think it necessary to add as the cures speak for themselves. Cases of long standing are constantly being published. Consultation free from 7 in the morning until 8 o'clock at night. DR. WATSON, M. D. No. 97 Chartres street, near Conti.

LIVER COMPLAINT, DYSPEPSIA, NERVOUS DEBILITY, DISEASE OF THE KIDNEYS.—Positive testimony from Missouri in favor of HOOFLAND'S GERMAN BITTERS, prepared by Dr. C. M. JACKSON, Philadelphia, acknowledged by all respectable dealers to be the most popular medicine now in use for the cure of the above named diseases. HOOFLAND'S GERMAN BITTERS CONVINCED. W. H. ADAMS, Publisher of the Argus, Weston, Mo., July 17, 1851 said: "I was, last summer, so very low and weak as not to be able to stand at the counter for an hour at the time. I had one bottle of your German Bitters, which entirely cured me. I have used two bottles since, and I feel like a new person. I live 30 miles from here, to a friend who has been sick for a long time; he has also been cured by them. I believe them to be superior to any medicine now in use." O. HENDERSON, Gloucester, No., August 1, 1851, said: "Your Bitters are beginning to go here. I give one bottle away some to every one who asks for it. I have one bottle left, and I am sorry I have no more. I have had about in store but twenty-four bottles, and I should have bought. Please send another lot immediately." Dr. P. A. HEITZ, Paris, Mo., March 25, 1853, said: "Your Bitters have given better satisfaction, in all the cases where they have been used, than any other medicine with which I have acquainted." ☞ They are ENTIRELY VEGETABLE, and never prostrate the system. ☞ For sale by respectable dealers in Medicine everywhere.
