GREAT SALE.

THE UNPRECEDENTED DEMAND FOR BARRETT'S AUTHENTIC LIVES OF
LINCOLN AND HAMLIN
has prevented the Publishers from even announcing the day of publication.

But nine days have passed since the first copies were ready for distribution, and yet there have been made, and are now in process of making, within a fraction of
20,000 COPIES!

Mr. BARRETT has arranged his narrative chronologically, and Mr. Lincoln's Speeches, wherever possible, are carefully interwoven, so as to present to the reader a very clear view of his character and political life. Several important Speeches are given complete.

The book contains seventy-five per cent more matter than any other sold at a similar price, and neatly-engraved portraits of both Candidates, instead of inferior wood-cuts.

AN OPINION

A gentleman, for many years a resident of Springfield, intimately associated in business with Mr. Lincoln, and casually in the city on his way home, sent us the following note, which we take the liberty of printing without his signature:

"CINCINNATI, June 20, 1860.
"MESSRS. MOORE, WILSTACH, KEYS & CO.—GENTLEMEN: It gives me great pleasure to bear testimony to the singular accuracy and completeness of Mr. Barrett's Life of Hon. Abraham Lincoln, an early copy of which you kindly placed in my hands yesterday.

"During my recent trip in the East, I have frequently been asked to point out which one of the volumes professing to give a history of Mr. Lincoln's career I could recommend, and necessity has compelled me to say that neither one was in the least satisfactory, or presents any adequate idea of his character or history. I think Mr. Barrett has succeeded admiratly in producing just what is wanted for the coming campaign.

"Respectfully yours, _____"

☞ Buy BARRETT'S AUTHENTIC EDITION, and you will get the best.

Mr. BARRETT is one of the principal Editors of The Cincinnati Gazette, was a delegate to the Chicago Convention, and the only man well versed in politics who has prepared biographies of the Republican Candidates from authentic materials.

PRICE—Cheap Edition, in Paper, 25 cents; Fine Edition, in Cloth, 38 cents.

A Union Saver, brush in hand,
Once made the tour of this broad land,
To patch the Union breaking trough,
And mend the Constitution too;
He found betwixt the North and South
A crack wide as an earthquake's mouth,
And gave to Everett and Bell
Directions how to use it well.
Don't let the earth divide, my boys,
Let Everett patch the Union well;
Don't let the Union slide, my boys,
Or we shall have to toll the Bell.

GOURAUD'S ITALIAN MEDICATED SOAP, it is well-known, cures TAN, PIMPLES, FRECKLES, SALT-RHEUM, BARBER'S ITCH, CHAPS, CHAFES, TENDER FLESH, &c., beside being the very best shaving compound ever invented. GOURAUD'S POUDRE SUBTILE uproots hair from low foreheads, upper lips, or any part of the body, safely and quickly, warranted. LIQUID ROUGE for pale lips and cheeks. LILY WHITE, for flushed, red, and heated faces. HAIR DYE instantly converts red, gray, or light hair to a beautiful black or brown, without staining the skin. HAIR RESTORATIVE for the hair to grow, and make stiff, wiry hair soft, glossy, and silky. GOURAUD'S ORIENTAL CREAM, for the complexion. Found at Dr. GOURAUD'S old-established depot, No. 67 Walker-st., first store from Broadway; Wells & Co., Park & Barnes; Hayes, Brooklyn; Green, Worcester; Bates, No. 129 Washington-st., Boston; Callender, Philadelphia. The above articles are not to be confounded with the trash with which the States are flooded, and sent from New-York at cheap rates, and long credits at that. Dr. GOURAUD'S articles have been before the public the past 20 years, and are well known to be all they are represented to be.

HOYT'S HIAWATHA HAIR RESTORATIVE is warranted in every instance to restore Gray Hair to its original color. It has been applied in thousands of cases in the principal cities of New-England, and has not failed in a single instance to accomplish all that is claimed for it. No hair is so gray or so red but the Hiawatha will change it to a beautiful and lifelike brown and black. It is not an instantaneous dye which clogs, smuts and gives a dead black color to the hair; the patient having to submit to soaping, washing and sponging of the hair every time it is applied; nor is it a preparation of sulphur, sugar of lead, &c., nor of any ingredients deleterious to the hair or skin. It is an article requiring no preparation, no washing before or after using; it is applied in five minutes time, and with as little trouble as any ordinary article for the toilet.

"People who have used this preparation declare it is miraculous in its effects, and that it will perform all that it pretends to do."—[Hadley's Pictorial.

"Pleasanest of wonderful, and we can only say we indorse all the proprietor says in regard to it."—[Boston Journal.

For testimonials and directions, see handbills accompanying each bottle.

CARD.—TO THE CITIZENS OF CONNECTICUT.—During the past Winter, the unapproachable performances at NIBLO'S GARDENS, New-York, have attracted thousands from the Land of Steady Habits, who have universally gone away delighted, not only with the superb performances given by the various members of the most extensive and talented troupe ever combined in the world, but exacted from me a positive agreement to produce the Great Circus, with all its expensive and extended appurtenances, in the different prominent towns of the State of Connecticut. I am now not only ready to accede to the wishes so expressed, but to do more, much more, having this day made an arrangement with Mr P. T. Barnum, to add to the whole troupe of Equestrians and other Celebrities, his great MENAGERIE of Wild Beasts, under the control of that wonderful trapper and popular American hunter, "Old Grizzly Adams," and an assurance is hereby conveyed to the people that the whole of these immense performances and extraordinary curiosities will positively be exhibited at one time, and under one pavilion, and for one price of admission, so that while the senses are enraptured with the grace and elegance of ZOYARA, startled and delighted by the daring and style of ROBINSON, held captive by the thrilling and wonderful feats of he immortal HANLONS, amused by the comicalities of JOE PENTLAND, the Court-jester, and other varied performances, they will also be instructed by the observation of the ferocious and apparently untamable animals still under the control of the Gray Old Man, who has traversed the solitary paths known only to the mighty trapper, and avoided even by the wily Indian himself. One great feature of this splendid Exhibition will be, that its moral character shall be of the highest standing, and that all promised upon the bills will be performed, as I expect that the patronage I receive from the public hereafter will be based upon the satisfaction I give upon this tour. JAMES M. NIXON.
Niblo's Garden, July 3, 1860.

TO MY FELLOW-CITIZENS OF CONNECTICUT.
As will be seen by the above Card from J. M. Nixon, esq., his Mammoth Circus, including a Star Troupe which has no equal in America or in Europe, is about to traverse the State of Connecticut. This Colossal Equestrian Company embraces talent to be found nowhere else in the world, and the expenses exceed those of any four Circuses in the United States. With
