New Publications.

A RUN THROUGH EUROPE.
D. APPLETON & Co.,
NOS. 443 AND 445 BROADWAY,
PUBLISH THIS DAY:
A RUN THROUGH EUROPE,
By ERASTUS C. BENEDICT.
1 vol., 12mo. Cloth, $1 25.
This is a pleasant and instructive book, written without pretension. The author traveled through Italy, France, Austria, the German States, Switzerland, the Netherlands, Scotland, Ireland and Wales, observing the serious life of each, and setting all in agreeable contrast before the stay-at-home reader. He endeavors to give a faithful idea of the impressions made upon the traveler by what he sees, rather than an ambitious description of the things seen, and to "sharpen without satisfying the desire to see the Old World." The work is certainly a very pleasant stimulus to travel.

The Coal must be the "Run of the Mines," free from slate and earthy materials, clean and unmixed (of all which the contractor shall furnish such evidence as shall be satisfactory), and shall be subject to such inspection as to quality and quantity, as the board of Water Commissioners may direct. The quality of the coal to be equal to the best bituminous coal sold in this market and the whole to be delivered in good order between August 15 and October 10, next.
Parties proposing must state the price per tun of 2,240 pounds, and also the mine or mines from which the coal is to be taken.
The Commissioners reserve the right to reject any or all bids and proposals, if it be deemed by them for the interest of Jersey City so to do.
Proposals to be directed to any of the undersigned, or to "The Water Commissioners of Jersey City."
WILLIAM BURKBECK, A. A. HARDENBERGH, J. R. WORTENDYKE, } Committee on Works out of the City.

SEALED PROPOSALS will be received by the School Officers of the XIIth Ward, at the Office of the Clerk of the Board of Education, corner of Grand and Elm-sts., until WEDNESDAY, July 18, at 12 o'clock, noon, for PAINTING, GRAINING, and VARNISHING the Wood Work, Furniture, and Walls of Grammar School No. 4 in said Ward. Also, for the alteration and fitting up of the third and fourth floors in the West Wing of said building, for Class Rooms, and to put in new sliding doors in the Primary Department, in accordance with the plans and specifications on file and to be seen at the Office of the Superintendent of School Buildings No. 94 Crosby-st.
Proposals must be addressed to the undersigned, and must be accompanied with the names of two responsible and approved sureties. The School Officers reserve the right to reject any and all proposals offered, if deemed for the public interest to do so.
