Third Edition.
The Littlejohn Libel Suit.—Dewitt C. Littlejohn against Horace Greeley—damages laid at $25,000—tried at the late Oswego Circuit before Judge Hacon, and fully reported for THE TRIBUNE by J. L. Crosby—is published in a neat, compact pamphlet of 56 pages, and for sale at this office. Price 10 cents. Although the great bulk of the evidence collected for the defense was ruled out by Judge H., yet the opening on that side by ISAIAH T. WILLIAMS, esq., gives a good idea of its character and of the grounds of our discussion of the New-York legislation of 1860, its engineers, and their instruments. The rulings of Judge HACON and the comments thereon by JOHN K. PORTER, esq., of Albany, deserve and will command the attention of lawyers and jurists. And whoever wants to see whatever can be said against the defendant in this suit by a bitter political and general adversary, who knows that he is not to be answered, must be gratified with the summing up for the plaintiff by the Hon. HENRY A. FOSTER. The cross-examination of the defendant by the Hon. CHAS. B. SEDGWICK, likewise, presents some noteworthy aspects. As political libel suits are less common than formerly, and as the legislation of 1860 is a subject of enduring interest, we believe many will find this pamphlet worth reading and preserving.

Military Notices.

Rocket Battalion for the Army of the Potomac—Raised by special desire of Major-General McCLELLAN and Brig. Gen. BARRY, Chief of Artillery.
Those desirous of joining this "Crack Corps" should apply immediately to Headquarters, No. 455 Broome-st.

D'Epineuil Zouaves.—This splendid regiment, organized on the French plan, is rapidly filling up. The entire command will be about two thousand strong, about one-half of which are ready for marching orders. A few good men are wanted for the Second Battalion. Call at the Recruiting Quarters, at City Hall Park. Colonel L. J. D'EPINEUIL,

Light Cavalry.—The 1st Regiment U. S. Lancers, which is organizing in this city, is rapidly filling up. Col. SMOLINSKI, to whom is intrusted the formation of it by the War Department, is a veteran of high military attainments, having served in the Polish, French, and English service, and is favorably known in the military circles of these countries. The headquarters of the Regiment is the War Department, Washington, D. C., a branch of which is at No. 1 Park-place, corner of Broadway, New-York, in charge of Acting Adjutant Lieut. P. E. McTIGHE, to whom all communications on the business of the Regiment from the loyal States are to be addressed. Gentlemen wishing to raise companies of 45 men each, will receive First Lieutenancies, and in similar grade, to the lowest non-commission. Privates ambitious of military honors, are offered many inducements, and guaranteed speedy promotion. Pay for privates, $14 per month.

To Unassigned Military Companies.—Two full companies can now be received in the 12th Regiment N. Y. Volunteers, commanded by me.
This regiment has been reduced in numbers by the discharge of men who were mustered into the service for only three months; but the regiment is in a sound and prosperous condition, and is attached to Gen. Wadsworth's Brigade, stationed on Upton's Hill, Va., in the advance of the Army of the Potomac.
It is believed that this fact will present a strong inducement to officers and men who are desirous of entering at once into active service.
Inquiries in regard to the condition of the regiment may be made of Gen. McDowell or Gen. Wadsworth.
Communications may be addressed to me at Washington, D. C. R. M. RICHARDSON,
Lieut.-Colonel 12th Regiment N. Y. V. Commanding.

U. S. Mustering Office.—Officers of Volunteers should have written authority from their Colonels to recruit, as evidence to the U. S. Mustering Officers for transportation or settlement of accounts. This written authority should also be indorsed by the United States Mustering and Disbursing officer.
No account will be paid or transportation given unless the above rule is conformed to.
