A Diabolical Trio.

If there is one more fiendish than the hateful trinity, dyspepsia, billiousness and the irregularity of the bowels usually existent together, we are unaware of it. Those co-operative organs, the stomach, the bowels and the liver, are usually thrown out of gear together, and the restoration of regularity to one is usually the signal for the others to fall into line. Hostetter's Stomach Bitters controls all these beneficiently and completely, not only regulating but invigorating them. It also exerts a most happy influence upon the kidneys and blood, giving a healthful impulse and enriching the second. It overcomes malaria and a tendency to chronic rheumatism and neuralgia, and improves appetite and sleep. To the nervous it affords unspeakable relief. A wineglassful three times daily will, if persisted in, achieve results to be expected from no other health medium.
