IMPORTANT to MARRIED and THOSE ABOUT TO BE MARRIED.—Dr. A. M. MAURICEAU, Professor of Diseases of Women has just published the 16th edition of the valuable book entitled "THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION."

No married woman can afford to be without this ever-reliable and faithful "Companion." It describes her peculiar complaint as a wife, as a mother, or one to become so, their causes and their symptoms, and prescribes the proper remedies in plain, simple, and chaste language.

Many of her complaints her sensitive nature forbids communicating to a physician, and so she often suffers year after year, pale, haggard, attenuated, and wondering what ails her. Years of misery have been spared by its timely possession. Each copy is worth its weight in gold. Price $1.
