IMPERIAL COURTS OF FRANCE, ENGLAND, RUSSIA, PRUSSIA, SARDINIA AND AUSTRIA, RICHLY ILLUSTRATED WITH PORTRAITS OF IMPERIAL SOVEREIGNS AND THEIR CABINET MINISTERS, WITH BIOGRAPHICAL SKETCHES, AND AN INTRODUCTION BY WILLIAM CULLEN BRYANT.

EDITED BY W. H. BIDWELL.

Just Published by MR. CHARLES SCRIBNER, No. 124 Grand-st., New-York. 1863.

1. This is a superb volume of Imperial Octavo size, of over 800 pages. The title-page is illuminated with purple, red, and gold. It will be the Gem of the Season for the Holidays, as well as a standard work.
2. The work is printed on fine tinted paper, made to order by Grant, Warren & Co. of Boston, who are experienced manufacturers, of high reputation.
3. The printing and press-work have been done in the best manner at the justly-famed Riverside Press of Cambridge, Mass., by H. O. Houghton, who has no superior in the beauty and skill of his work.
4. The book is illustrated with the unusual number of 42 finely-engraved Steel Plates, by John Sartain and George E. Perine. This imparts a rich, artistic value to the work.
5. Some of the plate-engravings depict historical scenes and events, which give freshness to the reality of past times.
6. The number and character of the Portraits, with accompanying Biographical Sketches of many illustrious personages, with the leading events of their life and times, impart unusual attractiveness to the volume.
7. This book is richly bound in Turkey Morocco, full gilt, and Turkey Antique, and put up in a neat box or case.

Price $12 50.

It will be sent by mail or express to any part of the country, expenses paid, on receipt of the amount by the publisher.

CHEAP EDITION—VICTOR HUGO'S LES MISERABLES.
CARLETON'S COPYRIGHT EDITION.
THE ONLY UNABRIDGED TRANSLATION.

As an indication of the extraordinary interest existing for this marvelous book, it is sufficient to state that more than 12,000 volumes were purchased at the recent Trade Sales in New-York City.

The London Daily News says:
"Les Miserables is one of those rare works which have a strong personal interest in addition to their intrinsic importance.
"It is not merely the work of a truly great man, but it is his great and favorite work—the fruit of years and labor.
"Victor Hugo is almost the only French imaginative writer of the present century who is entitled to be considered as a man of genius. He has wonderful poetic power, and he has the faculty, which hardly any other French novelist possesses, of drawing beautiful as well as striking pictures.
"Another feature for which Victor Hugo's book deserves high praise is its perfect purity. *Any one who reads the Bible and Shakespeare may read Les Miserables.*
"The story is admirable, and is put together with unsurpassable art, care, life, and simplicity."

THE NOVEL LES MISERABLES
is divided into five separate parts or volumes, as follows:
PART I.—FANTINE. PART II.—COSETTE.
PART III.—MARIUS. PART IV.—ST. DENIS.

LES MISERABLES.
By VICTOR HUGO.
W. I. POOLEY & Co., Publishers.

The celebrity which this wonderful work has achieved, and the sensation which it has created throughout France in the original, are more than equaled through the unexampled success of Lascelles Wraxhall and M. Esquiros's translation of the work into English, as published by W. I. POOLEY & Co.

The publishers present this work to Booksellers and the Public—

First: Because it is an ENTIRELY LITERAL translation.

Second: Because it is THE ONLY ENGLISH TRANSLATION APPROVED BY VICTOR HUGO, ITS AUTHOR.

The price of POOLEY & Co.'s Edition—FOR THE FIVE VOLUMES COMPLETE, bound in one large octavo volume, muslin—is but $1 50, and in paper cover $1—one of the cheapest and most celebrated works ever issued from the American Press.

Evidence of the popularity of POOLEY & Co.'s Edition is given in the fact that those who have read the so-called translation first published here—not satisfied—now buy the translation of Wraxhall & Esquiros, that they may get VICTOR HUGO'S MEANING, AS HE HIMSELF APPROVES IT.

Buyers are cautioned to notice that W. I. POOLEY & Co.'s imprint is on the title page, and they will be sure to get the only true translation yet published.

The book will be sent by mail, prepaid, on receipt of price.

VICTOR HUGO—LES MISERABLES.
"CARLETON'S UNABRIDGED EDITION."

The whole novel complete in one volume.
CHEAP EDITION.
Paper covers; price $1; cloth bound; $1 50.
CAUTION.

*** The publisher of the American copyright translation, in issuing this extraordinarily low priced edition, takes occasion to warn booksellers, as well as the public, to be particular in ordering CARLETON'S UNABRIDGED EDITION or they may have foisted upon them a lately published abridged British translation, both badly translated and omitting a large portion of the original in deference to British and Romanist prejudices.

* * * * * * * *

The most remarkable chapters in the whole work, such as that entitled "Cambronne," the most remarkable book, the magnificent and unsparing denunciation of the Convent; the finest poems, such as Fantine's Cradle Song and Jean Prouvaire's Rhymes; the grandest prose and the most difficult to translate, such as the chapter in Fantine entitled "The Waters and the Shadows," even the sublime preface of Victor Hugo—all are among the large portion of the original omitted by Wraxall in his British abridgement.

OLD MERCHANTS OF NEW-YORK.
THE NEW EDITION READY TO-DAY.
One elegant vol. Cloth bound. Price $1 50.

The appearance of this entertaining book has already created a vast stir among the Mercantile community—the upper crust as well as the cod-fish aristocracy.

It is brimming full with all sorts of gossip, sketches, and anecdotes, concerning the principal Merchants of New-York City, and is the most amusing and curious volume of its kind ever published.

The first edition of 1,000 copies was sold off with a perfect rush on publication day. The new supply is just ready.

From The North British Review.
MISS MULOCK'S NOVELS.—She attempts to show how the trials, perplexities, joys, sorrows, labors, and successes of life deepen or wither the character according to its inward bent. She cares to teach, not how dishonesty is always plunging men into infinitely more complicated external difficulties than it would in real life, but how any continued insincerity gradually darkens and corrupts the very life-springs of the mind; not how all events conspire to crush an unreal being who is to be the "example" of the story, but how every event, adverse or fortunate, tends to strengthen and expand a high mind, and to break the springs of a selfish or merely weak and self-indulgent nature. She does not limit herself to domestic conversations, and the mere sketch of character or character; she includes a large range of events—the influence of worldly successes and failures—the risks of commercial enterprises—the power of social position—in short, the various elements of a wider economy than that generally admitted into a tale. She has a true respect for her work, and never permits herself to "make books," and yet she has evidently very great facility in making them. There are few writers who have exhibited a more marked progress, whether in freedom of touch or depth of purpose, than the authoress of "The Ogilvies" and "John Halifax."

IN THE WOODS
WITH
BRYANT, LONGFELLOW, AND HALLECK.
Illustrated on Wood
From Drawings by JOHN A. HOWE.

This is a superbly illustrated volume from the pencil of the artist whose "Forest Hymn" has been so celebrated. It is of the same size as that volume, and contains an equal number of engravings, but the designs are a special selection of the work are admitted to be superior. It includes Bryant's "Death of the Flowers," Longfellow's "When Woods were Green," and Halleck's "Wyoming." The engravings were intrusted to our best engravers, who vied with each other in rendering the beautiful and vivid drawings by Mr. Howe. Their cost exceeds those of the "Forest Hymn," and their execution is more uniformly excellent. The paper, the printing, the binding, and all the features of the book, are as excellent as time, care, and expense could make them. The publisher has labored to render it a thoroughly elegant volume, and he believes it will prove the most popular publication of the season.

INTERNATIONAL LAW; Or, RULES
REGULATING THE INTERCOURSE OF STATES IN PEACE AND WAR.
By Major-General H. W. HALLECK, General-in-Chief, U. S. Army.
One vol., 8vo., Law Sheep ..... $6.
"In preparing this work on the laws of war, Gen. Halleck appears to have made a very extended research among authorities. His citations range through most of the writers and decisions touching upon such subjects, including the leading European publicists, for centuries back. His use of authorities is valuable also, as being not only legal but historical. Upon points of military usage he cites examples from history freely and with effect, referring not only to the modern military historians, but even going back to the military days of Rome and Greece.
"Gen. Halleck appears to have thoroughly digested the whole range of topics which he has to consider, and forms his opinions with judgment, and expresses them clearly and briefly."—[Philadelphia Inquirer.
