BIG RAID ON SUGAR

The Stock Hammered Way Down by Bears.

64,000 SHARES WERE SOLD

The Enormous Drive Caused the General List to Weaken and Quickly Broke the Market.

NEW YORK, April 11.—Money on call has been easier, ranging from 5 to 3 per cent; last loan at 3½, and closing offered at 3½.

Posted rates, 4.87@4.89.

Government bonds steady.

While the stock market enjoyed periods of strength today, the tendency of prices in the main was downward, especially during the last hour of business. The prompt adjustment of the labor troubles at the Chicago fair grounds had far less effect than anticipated. The weakness of the general list was partly due to a sharp onslaught on sugar, which, despite the statement by officials that the earnings are enormous, continues to be pressed for sales with a degree of confidence which indicates the possession of knowledge by certain interests of an unfavorable character concerning the property. The stock declined from $1.04⅝ to $1.02⅛. Following that the price ran off to $1.01⅞@1.01½ under an enormous pressure of sales. A good deal of long stock was forced out by this drop. Simultaneously there were large offerings of Big Four, and that stock declined from 51c to 49c. The usual leaders of the market yielded ¼ to 1¼ per cent. The transactions were 202,150 shares, of which 64,000 were sugar. The market closed weak.

Chicago Grain.

CHICAGO, April 11.—The unfavorable character of the government crop report yesterday started the wheat market excited and higher. As has been the case for some days, May was affected the most and closed 3 1-4c higher. July wheat also started strong, but the closing price was only ½c higher than last night. Corn was exceedingly weak. Closing prices were ⅝@⅞c lower. The prospects of a fine crop and heavy selling by the longs caused a drop of ⅝@⅞c in the price of oats. The hog market was given from the stock yards as very weak at a decline of from 20 to 25c. At the close, compared with yesterday, pork was from 35 to 42½c lower, lard from 12½ to 17½c lower, and ribs 20c lower.

Corn in fair demand at ½d advance. London cargoes of California wheat off coast and nearly due, 9d higher, and 6d higher for shipment. Wheat on passage 6d higher. The French markets were generally unchanged. Weather in the United Kingdom was cold.

Detroit Grain.

DETROIT, Mich., April 11.—Wheat—No. 2 red, cash, 72⅞c; May, 73⅞c bid; July, 76⅝c; No. 1 white, cash, 72½c, nominal.

Corn—No. 2, cash, 42½c.

Oats—No. 2 white, cash, 37½c.

LOCAL MARKETS.

The vegetable market is decidedly weak, and the stock of last year's product is fast declining in quality. Quotations were reduced yesterday on several lines and beets are so scarce that they were dropped from the list. Turnips, rutabagas, carrots, parsnips and onions all declined from 5 to 10 cents a bushel. Provisions were quiet, with no indication of immediate change, and sugar remained at Monday's figures. Grain closed steady. Building materials are uneasy, with indications of higher prices on hardware and nails:

America's Great Danger

AN ENGLISH COMMENTARY.

Said an eminent English scientist recently: "The danger that confronts the great American people to-day is not the possible adoption of a wrong financial policy for the nation, or the spread of socialism, or the increase of corruption among public men. All these are bad enough, to be sure, but they are as nothing compared to the terrible national disease—I had almost said **national crime**—of overwork. The mad rush for wealth is set at a killing pace, and thousands fall by the way every year.

You are likely to be one of the victims!

How do we know? Because it is **the exception** to find a man or woman of adult age in perfect health. **Nervous Disorders** are spreading with fearful rapidity. Among the symptoms, are—Backache, Biliousness, Cold Hands and Feet, Dizziness, Hot Flashes, Fluttering Sensation, Fainting, Headache, Hysteria, Irritability of the Heart, Melancholy, Failing Memory, Palpitation, Rheumatism, Short Breath, Sleeplessness, Nervous Dyspepsia, Sexual Debility, Fits, etc.

REV. C. A. CARROLL, pastor First Baptist Church, Yellow Springs, O., writes as follows: "I have used Dr. Miles' Restorative Nervine for the past six months. I find it acts like a charm on the whole nervous system. I have not found its equal in giving immediate relief. Dr. Miles' little Nerve and Liver Pills only need a trial and they will recommend themselves to be the best pills in the market."

"For five years I have suffered from Nervous Prostration, I was unable to work or sleep. The first dose of **Dr. Miles' Restorative Nervine** gave me relief, and one thousand dollars would not cover the good it has done me."—JOHN MINCHER, Youngstown, Ohio.

Dr. Miles' Restorative Nervine is unequalled in CURING Nervous Diseases. It contains no opiates or dangerous drugs. Sold on a positive guarantee by all druggists, or Dr. Miles Medical Co., Elkhart, Ind.
