KNOWLEDGE

Brings comfort and improvement and tends to personal enjoyment when rightly used. The many, who live better than others and enjoy life more, with less expenditure, by more promptly adapting the world's best products to the needs of physical being, will attest the value to health of the pure liquid laxative principles embraced in the remedy, Syrup of Figs.

Its excellence is due to its presenting in the form most acceptable and pleasant to the taste, the refreshing and truly beneficial properties of a perfect laxative; effectually cleansing the system, dispelling colds, headaches and fevers and permanently curing constipation. It has given satisfaction to millions and met with the approval of the medical profession, because it acts on the Kidneys, Liver and Bowels without weakening them and it is perfectly free from every objectionable substance.

Syrup of Figs is for sale by all druggists in 50c and $1 bottles, but it is manufactured by the California Fig Syrup Co. only, whose name is printed on every package, also the name, Syrup of Figs, and being well informed, you will not accept any substitute if offered.

Chicago Grain.

CHICAGO, April 22.—The wheat market closed 1⅛c higher for July and ⅛c lower for May. With the exception of one bearish feature, the tremendous stock of wheat on hand, the news was all of a bullish character.

There was not a heavy trade done in oats, but the market held firm in sympathy with wheat and corn and closed ⅝c higher.

The provision market was easier, rather dull and lower. Pork at the close shows a decline since yesterday of from 2½ to 5c per barrel. Lard is off from 5 to 7½c and ribs are a shade lower for May and July and 7½c off for September.

LOCAL MARKETS.

There was a little more activity visible on the market yesterday than for several days past and trade revived from the dullness produced by the rainy weather. Prices were steady with no noticeable changes in quotations. On the whole, last week was a dull week in marts of trade. Potatoes moved slowly at weak prices. It is said producers in the northern part of the state are inclined to hold their stock with the expectation of higher prices. Apples are considered to be an uncertain factor with the commission houses. Common grades are decaying very rapidly, and they are handled with a degree of cautiousness. Package coffees declined 50 cents a hundred in the local market yesterday, and cured meats closed firm. Hay was a little firmer and a few loads were sold on the market at an advance of $1 per ton. Notwithstanding the advance in wheat in outside markets, local millers continued old quotations. Maple sugar and syrup are not marketed, but retail grocers have some stock on hand:

LANE'S MEDICINE

America's Great Danger

AN ENGLISH COMMENTARY.

Said an eminent English scientist recently: "The danger that confronts the great American people to-day is not the possible adoption of a wrong financial policy for the nation, or the spread of socialism, or the increase of corruption among public men. All these are bad enough, to be sure, but they are as nothing compared to the terrible national disease—I had almost said national crime—of overwork. The mad rush for wealth is set at a killing pace, and thousands fall by the way every year.

You are likely to be one of the victims!

How do we know? Because it is the exception to find a man or woman of adult age in perfect health. Nervous Disorders are spreading with fearful rapidity. Among the symptoms, are—Backache, Biliousness, Cold Hands and Feet, Dizziness, Hot Flashes, Fluttering Sensation, Fainting, Headache, Hysteria, Irritability of the Heart, Melancholy, Falling Memory, Palpitation, Rheumatism, Short Breath, Sleeplessness, Nervous Dyspepsia, Sexual Debility, Fits, etc.

REV. C. A. CARROLL, pastor First Baptist Church, Yellow Springs, O., writes as follows: "I have used Dr. Miles' Restorative Nervine for the past six months. I find it acts like a charm on the whole nervous system. I have not found its equal in giving immediate relief. Dr. Miles' little Nerve and Liver Pills only need a trial and they will recommend themselves to be the best pills in the market."

"For five years I have suffered from Nervous Prostration, I was unable to work or sleep. The first dose of Dr. Miles' Restorative Nervine gave me relief, and one thousand dollars would not cover the good it has done me."—JOHN MINCHER, Youngstown, Ohio.

Dr. Miles' Restorative Nervine is unequalled in curing Nervous Diseases. It contains no opiates or dangerous drugs. Sold on a positive guarantee by all druggists, or Dr. Miles Medical Co., Elkhart, Ind.
