SAINSEVAIN'S CALIFORNIA WINE BITTERS.
As the use of California Wine is destined to exclude entirely from our midst all compounds made from alcohol and other drugs, so deleterious to health, many of our friends have suggested to me the propriety of offering to the public
A BITTERS MADE OUT OF PURE NATIVE CALIFORNIA WINE,
which has an agreeable taste might combine all the tonic and invigorating properties of those kind of beverages, without presenting the objectionables of that made out of Alcohol, &c.
According to their wishes, we offer to the public a Bitters which we warrant is composed of our best Native California Wine, in which we have diffused healthy aromatic plants; we desire to call the attention of Druggists, Physicians, and Consumers to examine our Bitters, and they will find them as represented. We are confident that our
CALIFORNIA WINE BITTERS
will soon take the place of those noxious compounds, and that the public in general will be benefited by it.
SAINSEVAIN BROS.,
Sole Proprietors.
The immense popularity of this product has, in the space of two years, taken the first rank above all other Bitters in California, Oregon, British Columbia, and all the Pacific Coast; this has determined me to solicit the Agency from my friends, Messrs. SAINSEVAIN BROS., who have already combined to me the Agency of their Wines.
Each shipper ship coming from California will bring me a lot of their most popular beverage—the Sainsevain Wine Bitters.
