Attempt at Suicide.

It Might Have Been Prevented.

[From the Boston Post.]

While the walks in the Public Garden were crowded yesterday afternoon about 4.30 o'clock, people near the entrance gates at the corner of Beacon and Charles streets were horrified to see a man suddenly plunge a knife repeatedly into his throat and fall to the ground.

While waiting for a conveyance an officer questioned the would-be suicide, who was about 50 years of age, as to his name, address, and reason for wishing to end his life, but the man steadfastly refused to give any information regarding himself. He was taken to the Massachusetts General Hospital and surgical attendance given him. Although weak from loss of blood it is probable he will recover. About 9 o'clock last night a hospital attendant got a little information from him. He said his name was Samuel D——, and that he came some weeks ago from New Brunswick. The last few days he had lost his pluck, and he has been wandering about the city, not knowing which way to turn. What impelled him to commit his rash act he was unable to say.

The above is the familiar but terrible story of the results of mental derangement caused by overstrain of the nervous system. People who have sickness, headache or backache, or who are troubled with melancholy or despondent feelings, are already well on the road which leads to insanity and suicide.

"Dr. Miles Medical Co.: I cannot find language in which to express my appreciation of the great benefit I have derived from the use of your Restorative Nervine. When life became a burden I would use the Nervine to soothe my weakened nerves, and to calm my exhausted and irritable brain." —MRS. H. BROWN, Rochester, N. Y.

Dr. Miles' Restorative Nervine has no equal in curing Nervous Diseases. It contains no opiates or dangerous drugs. Sold on a positive guarantee by all druggists and Dr. Miles Medical Co., Elkhart, Ind.

BULLS ARE ON TOP

Bear Leaders Change to Save Their Good Dollars

AND THE MARKET ADVANCES

No News Could Check the Upward Movement and the Market Left Off Very Strong.

NEW YORK, June 10.—Money on call was nominally 2@3 per cent.

Posted rates, $4.86@4.88.

Government bonds steady.

Speculation at the stock exchange was characterized by strength throughout the session. The stock of the Northern Pacific as announced by President Oakes and the belief that the Richmond Terminal and Cordage reorganization will be carried through all added to the bullish feeling which set in after the subsidence of the excitement in Chicago early in the week. The buying movement was stimulated by the favorable reports of the railroads. Then again the operators most prominent on the bear side have changed front and are pronouncedly bullish on a number of the leading specialties. Today a leading trader, who has contested the rise in the market for the past few days, began to cover up, and purchasers were mainly instrumental in bringing about the advance which occurred. The sales were 158,612 shares, of which 19,636 were unlisted. The market left off strong.

Chicago Markets.

CHICAGO, June 10.—Wheat opened weak, July sold down nearly 1c. Then a reaction set in and July went up 1c. September advanced ½c. These prices did not hold and the market closed at a loss during the day of ⅛@⅜c one ⅛@⅜c below last night.

The corn trade had a narrow market. There was some action with wheat, but otherwise little disposition to trade. July started at 39⅝c and dropped to 39⅝@39⅜c. September sold 41⅜@41⅛c and off to 41⅛c. The last figures showed a loss during the day of ⅛@⅜c.

Oats were moderately active and a shade stronger on cash account, but the deferred deliveries ruled ⅛c lower at the close.

There has been but one book written since MARK TWAIN'S palmy days that has possessed his power to charm by wit, and fascinate by fidelity to nature.
