# WAS WEAK AND DULL

**Wheat Unsettled and Closed Lower, Corn Weak on Rains in Corn Belt. Provisions Firmer and Higher.**

NEW YORK, Aug. 15.—Money on call has been easy ranging from 3 to 5 per cent; last loan at 4 per cent and closing offered at 4 per cent.

Posted rates, $4.82½@4.87½.

Government bonds have been steady.

The stock market was extremely dull throughout the day and a still lower range of prices prevailed. The dealings were confined almost entirely to the professional element, which continues bearish on the situation. The true cause for the unsettled state of affairs yesterday and today developed after 3 o'clock, when it was learned that the syndicate formed to take the collateral trust notes of the Northern Pacific to liquidate the floating debt had been disrupted and that on the application of the Farmer's Loan & Trust company receivers had been appointed for the property. This sudden turn of affairs explains the steady outpouring of the Northern Pacific securities.

### "Speculation."

The time never was more favorable for speculating in grain and stocks than at present. Prices are 40 per cent lower than they ought to be on both grain and stocks.

The recent money panic is the cause of these conditions.

The crops are generally good this year, with the exception of wheat, throughout the country, and the foreign demand is the largest of the year, owing to the damage of their crops. It is but a short time until wheat will sell 40 cents per bushel higher than present quotations.

If you are not posted in speculation write C. F. Van Winkle & Co., 236 La Salle street, Chicago, Ill., for their book on "Speculation" and "How to Trade," sent free on receipt of stamp.

Bald Heads!

What is the condition of yours? Is your hair dry, harsh, brittle? Does it split at the ends? Has it a lifeless appearance? Does it fall out when combed or brushed? Is it full of dandruff? Does your scalp itch? Is it dry or in a heated condition? If these are some of your symptoms be warned in time or you will become bald.

Skookum Root Hair Grower

is what you need. Its performance is not an accident, but the result of scientific research. Knowledge of the diseases of the hair and scalp led to the discovery of how to treat them. "Skookum" is not a dye, but a grower of natural hair. It is not a Dye, but a delightfully cooling and invigorating Tonic. By stimulating the follicles, it stops falling hair, cures dandruff, and grows hair on bald heads.

Keep the scalp clean, healthy, and free from irritating eruptions, by the use of Skookum Shampoo. It destroys parasitic germs, and—what is not good—destroys the hair.

If your druggist can't supply you, send one dollar to us, and we will forward, prepaid, on receipt of express, Grower, or Shampoo, 6 for $5. Trial size, 50c. per jar; 6 for $2.50.

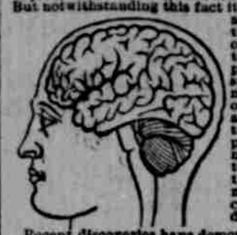
MYSTERIES!

The Nervous System the Seat of Life and Mind. Recent Wonderful Discoveries.

No mystery has ever compared with that of human life. It has been the leading subject of professional research and study in all ages. But notwithstanding this fact it is not generally known that the seat of life is located in the upper part of the spinal cord, near the base of the brain, and so sensitive is this portion of the nervous system that even the prick of a needle will cause instant death.



Recent discoveries have demonstrated that all the organs of the body are under the control of the nerve centers located in or near the base of the brain, and that when these are deranged the organs which they supply with nerve fluid are also deranged. When it is remembered that a serious injury to the spinal cord will cause paralysis of the body below the injured point, because the nerve force is arrested by the injury from reaching the peripheral portion, it will be understood how the derangement of the nerve centers will cause the derangement of the various organs which they supply with nerve force.

Two-thirds of chronic diseases are due to the imperfect action of the nerve centers at the base of the brain, not from a derangement primarily originating in the organ itself. The great mistake of physicians in treating these diseases is that they treat the organ rather than the nerve centers which are the cause of the trouble.

DR. FRANKLIN MILES, the celebrated specialist, has profoundly studied this subject for over 20 years, and has made many important discoveries in connection with it, chief among them being the facts contained in the above statement, and that the ordinary methods of treatment are wrong. All headache, dizziness, dullness, confusion, pressure, blues, mania, melancholy, insanity, epilepsy, St. Vitus dance, etc., are nervous diseases no matter how caused. The wonderful success of Dr. Miles' Restorative Nervine is due to the fact that it is based on the foregoing principle.

DR. MILES' RESTORATIVE NERVINE is sold by all druggists on a positive guarantee, or sent direct by DR. MILES MEDICAL CO., Elkhart, Ind., on receipt of price, $1 per bottle, six bottles for $5, express prepaid. It contains neither opiates nor dangerous drugs.

DR. SCHENCK'S

Mandrake Pills have a value as a household remedy far beyond the power of language to describe. The family can hardly be true to itself that does not keep them on hand for use in emergencies.

MANDRAKE

Is the only vegetable substitute for that dangerous mineral, MERCURY, and while its action as a curative is fully equal, it possesses none of the perilous effects.

In Constipation, Mandrake acts upon the bowels without disposing them to subsequent Costiveness.

No remedy acts so directly on the liver, nothing so speedily cures Sick Headache, Sour Stomach, and Billousness as these PILLS.
