SUPERB NEW ILLUSTRATED BOOKS,

AND ELEGANT JUVENILES,

FROM THE PRESS OF

JAMES O. GREGORY, NEW-YORK.

Mr. GREGORY'S New Issues for the coming Christmas season are as follows:

I.

FOREST PICTURES IN THE ADIRONDACKS.

BY JOHN A. HOWS.

WITH ORIGINAL POEMS BY ALFRED B. STREET.

The Adirondack region, in the Northern part of the State of New-York, has become the favorite resort of Artists, Tourists and Sportsmen. Its Mountains, Lakes, Cascades and Forests still retain all the features of the primitive wilderness, and perhaps no portion of our country affords so grand a variety of subjects for the Artist's pencil. The present work contains sixteen large, full-paged views, engraved on wood with great fidelity, portraying the most distinctive and striking features of its "Forest Pictures." The drawings are of a much more elaborate and bolder character than those in the previous books by Mr. Hows; and the publisher believes the work will take rank as one of the most

NOTABLE, ORIGINAL AND ARTISTIC ISSUES

from the American press. To each drawing is prefixed an Original Poem, by Alfred B. Street, our foremost poet of the forest, illustrating the spirit of the picture.

All the mechanical features of the book are executed in the best manner. It is printed on heavy, richly-tinted paper, and bound in elegant styles. One quarto volume, 68 pages.

Cloth extra, beveled boards, gilt sides and edges, price..$4 50
Full turkey morocco, antique, or extra gilt, price..... 9 00

II.

A SELECTION OF WAR LYRICS.

WITH ILLUSTRATIONS ON WOOD, BY F. O. C. DARLEY.

A most beautiful volume, containing a selection of Lyrics on the War, each poem illustrated by a full-paged drawing, by F. O. C. Darley. The Lyrics are eight in number, and were selected so as to present the different phases of the war. Mr. Darley's drawings are unusually spirited; they have been engraved by our best artists, and printed in the best style, on heavy calendered paper. The book is in every way elegant and unique, and will be valued as a worthy art-monument of the war. One quarto volume, 32 pages.

Cloth extra, beveled boards, gilt sides and edges, price..$2 50
Full turkey morocco, antique or gilt..... 6 00

III.

GOLDEN LEAVES FROM THE BRITISH POETS.

COLLECTED BY JOHN W. S. HOWS.

The purpose of this book is to present in one portable volume all the celebrated minor poems of the British Poets. It is believed, therefore, to possess great practical value, as not only affording a noble collection of true "Golden Leaves," but as affording in a convenient and accessible form those numerous gems of British poetry to which all have occasion so often to refer. The size of the volume is a convenient 16mo. It has been printed with great care on highly calendered tinted paper, and is bound in a peculiarly attractive style.

Green vellum cloth, beveled boards, gilt tops, price.....$2 50
Half Roxburgh, price..... 3 50
Full turkey, morocco, gilt or antique, price..... 4 50

IV.

V.

THE SNOW IMAGE; A CHILDISH MIRACLE.

BY NATHANIEL HAWTHORNE.

ILLUSTRATED IN COLORS, BY MARCUS WATERMAN.

The "Snow Image" is perhaps the most exquisitely beautiful of all the minor sketches by the late lamented Nathaniel Hawthorne. The present edition is handsomely illustrated with six designs in colors, and printed with elegance, on heavy calendered paper. It is one of the most unique and attractive minor gift volumes of the season.

Cloth extra, beveled boards, gilt sides, price.....$1 50
Cloth extra, beveled boards, extra gilt sides and edges, price..... $1 75

VI.

LITTLE RED RIDING HOOD.

TOLD IN VERSE, BY R. H. STODDARD.

SUMPTUOUSLY ILLUSTRATED IN COLORS, BY ALFRED FREDRICKS.

This little work is perhaps the finest specimen of color printing yet executed in America. The size corresponds with our well-known "Visit from St. Nicholas." It ranks altogether above ordinary pictorial books for children, and Mr. Stoddard has told the adventures of Riding Hood in verses that give a new and exquisite charm to the story. The work is novel, unique and elegant.

Quarto, illuminated paper cover, price..... $0

VII.

SPECTROPIA;

OR SURPRISING SPECTRAL ILLUSIONS, SHOWING GHOSTS EVERYWHERE AND OF ANY COLOR.

WITH SIXTEEN ILLUSTRATIONS.

This Book affords almost exhaustless parlor amusement. Wicked and ghostly figures can be projected upon any white surface by its aid without apparatus, the book itself containing everything requisite for that purpose. The process is simply to throw as strong a light as possible upon the engraved page, to fix the eye steadily upon the figure for nearly a minute, and then to turn and look within a partially darkened room upon any white surface, and presently the figure will appear in colossal size, the color being reversed from the original, and the proportions being determined by the spectator's distance from the surface.

Quarto, boards, with colored illustrations, price.....$1 00

VIII.

LITTLE BLUE HOOD.

BY THOS. MILLER.

WITH ILLUSTRATIONS IN COLORS.

A charming little narrative, that will almost rival the fame of "Red Riding Hood." Published uniform with "Little Bird Red and Little Bird Blue."

Square 16mo, cloth extra, gilt sides, price.....$0 75

IX.

SNOW FLAKES;

AND THE STORIES THEY TOLD THE CHILDREN.

This volume treats of the most important Legal questions now agitated by the great Political Parties in the Free States; and of the principles of International, Belligerent, and Constitutional Law, which determine the Rights, Liabilities and Obligations of Citizens or Subjects of the United States in time of Civil War. It is addressed to the Loyal Statesmen, Judges, and Jurists of the Union, to aid them in exploring the deep and permanent foundations wherein the right of our Republican Government rests to defend itself from Treason and Rebellion and to restore and secure, by a lawful exercise of the War Powers of the President and of Congress under the Constitution, the permanent Peace of the Country.

THE DUPLEX ELLIPTIC (OR DOUBLE) STEEL SPRING.

J. L. & J. O. WEST,
NO. 97 CHAMBERS ST., NEW-YORK,

are the owners of the Patent and Exclusive Manufacturers of this

J. W. BRADLEY'S

PATENTED "DUPLEX ELLIPTIC" STEEL SPRING SKIRT.

This invention consists of Duplex (or two) Elliptic Steel Springs ingeniously braided tightly and firmly together, edge to edge, making the toughest, most elastic, flexible and durable Spring ever used, enabling the wearer in consequence of its great elasticity and flexibleness to place and fold the skirt when in use as easily and with the same convenience as a silk or muslin dress. It entirely obviates and silences the only objections to Hoop Skirts, viz: the annoyance to the wearer as well as the public, especially in crowded assemblies, carriages, railroad cars, church pews, or in any crowded place from the difficulty of compressing them and occupying a small space; this entirely removes the difficulty, while giving the skirt the usual full and symmetrical form, and is the lightest and most stylish and graceful appearance for the street, opera, promenade or house dress. A lady having enjoyed the pleasure, comfort and great convenience of wearing the Duplex Elliptic Spring Skirt for a single day, will never afterward willingly dispense with the use of them. They are the best quality in every part, by far the lightest, most durable, comfortable and economical skirt made. Merchants will be supplied as above, and ladies in most first-class retail stores in this city and throughout the different States.
