Going to Buy a Watch?

If so, buy one that cannot be stolen. The only theft-proof Watches are those with

Non-pull-out BOWS.

Here's the Idea:

The bow has a groove on each end. A dollar runs down inside the pendant (stem) and bits into the grooves, firmly locking the bow to the pendant, so that it cannot be pulled or twisted off.

To be sure of getting a Non-pull-out, see that the case is stamped with this trade mark. It cannot be had with any other kind.

Ask your jeweler for pamphlet, or send for one to the famous Boss Filled Case makers,

DR. SCHENCK'S

Mandrake Pills have a value as a household remedy far beyond the power of language to describe. The family can hardly be true to itself that does not keep them on hand for use in emergencies.

MANDRAKE

Is the only vegetable substitute for that dangerous mineral, MERCURY, and while its action as a curative is fully equal, it possesses none of the perilous effects.

In Constipation, Mandrake acts upon the bowels without disposing them to subsequent Costiveness.

No remedy acts so directly on the liver, nothing so speedily cures Sick Headache, Sour Stomach and Biliousness as these **PILLS.**

TOO OFTEN THE CASE.

INTERESTING PROOFS.

A young society lady, after a round of gayety, becomes suddenly conscious of an unusual sensation. She has frequent attacks of dizziness, her back aches, and she feels blue and generally run down.

Mothers, look well to your daughters!

Daughters, look well to yourselves!

Let the first symptom denoting the approach of disease receive your instant attention. Healthy women are the hope of the race, and it is well-nigh criminal to neglect anything which promises relief.

There is hope for all sufferers from Nervous Diseases. Read what follows:

Mrs. Jennie C. Davis, a fine artist and an accomplished authoress, of Westfield, Wis., had been subject to headache ever since she could remember. So severe were her attacks as to cause at times temporary delirium. All treatment had failed to relieve her, but after using Dr. Miles' Restorative Nervine she writes: "My record is to me, at least, satisfactory. No headache, constantly increasing appetite, and a consequent gain in weight of two and a half pounds in just one week."

Six weeks later she writes: "Have read and acted immoderately of late, but my headaches do not return."

Mrs. John R. Miller, of Valparaiso, Ind., was attacked three years ago with turn of life in its worst form. It finally went to her head, and all indications were that it would result either in insanity or softening of the brain. Her husband thus writes: "It would be impossible for me to attempt a description of her sufferings during all this time. She was treated by our very best local physicians, with but temporary benefit. She has taken four bottles of Dr. Miles' Restorative Nervine, and is cured. She has gained twenty pounds in weight. I tell you, she often blesses you for what you have done for her."

Recollect that for the cure of all Nervous Diseases there is no remedy which approaches Dr. Miles' Restorative Nervine. It is free from dangerous drugs and opiates. Sold by all druggists, on a positive guarantee, or Dr. Miles Medical Co., Elkhart, Ind.

The rise was equal to ¼@1¾ per cent, the latter in Chicago gas which sold at 53. The offerings were light on the way up, but the rise was taken advantage of by the buyers of yesterday an Saturday to realize profits.

The Little Fellow's Answer.

The story of the rich man's selling all he had and giving unto the poor was the subject of discussion in a certain Sunday school class not long ago. The teacher was illustrating the moral that the lesson conveys. One of her most attentive listeners was a little fellow scarcely 6 years old, but as bright as a dollar, and with a tongue that uses the queen's English in a manner that would make that motherly old soul squirm if she heard it. "Now," said the teacher very impressively, "if a man is fortunate enough to make $1,000,000 in the course of his life, it is his duty to give half of it at least to the poor." "Yes," interrupted a prim little girl in one corner, "but how many men make $1,000,000 in the course of their lives?" There was a silence for a moment, when the little fellow chirped in the caustic answer, "Darn few."—Utica Observer.

Not a Lawbreaker.

It was in the public garden. Two pretty little boys were running upon the edge of a big flower bed and jumping off, only to run up and jump off again, while a nursemaid smiled at them encouragingly from a bench under a tree near by. After they had made the bank-like border very ragged, several of the gardeners came by, and one of them stopped to reprove the children. "See here, stop that," said the man. "Go over there and play under the tree."

"Why, we mustn't play there," said one of the little boys with dignity. "Can't you see that sign there to keep off the grass?" And, entirely satisfied with his own deference of law and order, he went on jumping on the flower bed as soon as the gardener had passed out of sight.—Boston Transcript.

"Speculation."

The time never was more favorable for speculating in grain and stocks than at present. Prices are 40 per cent lower than they ought to be on both grain and stocks.

The recent money panic is the cause of these conditions.

The crops are generally good this year, with the exception of wheat, throughout the country, and the foreign demand is the largest of the year, owing to the damage of their crops. It is but a short time until wheat will sell 40 cents per bushel higher than present quotations.

If you are not posted in speculation write C. F. Van Winkle & Co., 236 La Salle street, Chicago, Ill., for their book on "Speculation" and "How to Trade," sent free on receipt of stamp.

Sing a song of sixpence,
A bottle full of rye,
Four and twenty guests around
Its excellency to try.
When the bottle's opened
And they find the liquor pure,
Everybody cries at once—
"Royal Ruby" sure!

"Royal Ruby" Rye Whisky is a rye that's pure, old and mellow. Eleven years storage in wood before bottling gives it a smooth, oily and pleasant flavor. The connoisseur always calls for it. Quality guaranteed. $1.50 per quart bottle.
