## KNOWLEDGE

Brings comfort and improvement and tends to personal enjoyment when rightly used. The many, who live better than others and enjoy life more, with less expenditure, by more promptly adapting the world's best products to the needs of physical being, will attest the value to health of the pure liquid laxative principles embraced in the remedy, Syrup of Figs.

Its excellence is due to its presenting in the form most acceptable and pleasant to the taste, the refreshing and truly beneficial properties of a perfect laxative; effectually cleansing the system, dispelling colds, headaches and fevers and permanently curing constipation. It has given satisfaction to millions and met with the approval of the medical profession, because it acts on the Kidneys, Liver and Bowels without weakening them and it is perfectly free from every objectionable substance.

Syrup of Figs is for sale by all druggists in 50c and $1 bottles, but it is manufactured by the California Fig Syrup Co. only, whose name is printed on every package, also the name, Syrup of Figs, and being well informed, you will not accept any substitute if offered.

## DR. SCHENCK'S

Mandrake Pills have a value as a household remedy far beyond the power of language to describe. The family can hardly be true to itself that does not keep them on hand for use in emergencies.

## MANDRAKE

Is the only vegetable substitute for that dangerous mineral, MERCURY, and while its action as a curative is fully equal, it possesses none of the perilous effects.

In Constipation, Mandrake acts upon the bowels without disposing them to subsequent Costiveness.

No remedy acts so directly on the liver, nothing so speedily cures Sick Headache, Sour Stomach and Biliousness as these **PILLS.**

For sale by all Druggists. Price 25 cts. per box; 5 boxes for 65 cts; or sent by mail, postage free, on receipt of price. Dr. J. H. Schenck & Son, Philadelphia.

## THE OPEN SWITCH.

*AN ESTABLISHED SAFEGUARD.*

Anybody who travels by cars knows what is meant by "an open switch." It is the terror of railroad men, and the dread of the traveler. Its victims—killed, horribly mangled or maimed for life—are numbered by the score each year.

Yet even the dreaded "open switch" is not so widely fatal as is a certain disease, which, without ceasing its activity for an instant, is daily filling hundreds of graves.

What is that terrible ailment? you ask. It is *Heart Disease!* "But," you reply, confidently, "*I* haven't any heart disease—my heart is all right." Are you SURE?

Dr. Franklin Miles, of Elkhart, Ind., the distinguished specialist in diseases of the heart and nervous system, states that disorders of the heart are as common as those of the lungs, liver, stomach, bowels or kidneys, though often unsuspected. The reason people are not aware of this important fact is because symptoms of heart disease are not usually recognized as proceeding from this organ, but are attributed to some other source. If you have shortness of breath, fluttering or palpitation, pain or tenderness in left breast, shoulder or side, oppressed or choking sensation, fainting or smothering spells, *your heart is affected.*

"I had been troubled with heart disease for years. My left pulse was very weak, could at times scarcely feel it, excitement would weaken my nerves and heart, and fear of impending death stared me in the face for hours. *Dr. Miles' Nervine and New Heart Cure* are the only medicines that have proved of any benefit and cured me."—L. M. DYER, Cloverdale, Md.

"My wife has been taking *Dr. Miles' New Cure for the Heart.* She thinks it wonderful. She has not been troubled with pain or smothering spells since using it. We have also used *Dr. Miles' Pills*, and we find them all they are claimed to be."—GEO. L. FINK, Philadelphia, Pa.

These and hundreds of similar testimonials are convincing proofs of the wonderful powers of *Dr. Miles' New Cure for the Heart.* It is effective, agreeable, and above all, SAFE. Sold by druggists on a positive guarantee, or Dr. Miles Medical Co., Elkhart, Ind.

### Political Influence and Its Effects on the Poor Department.

### MAKE THE PAUPERS WORK

**Plan of an ex-Director of the Poor. Mr. Chapman States His Objection to Poles in the Center of Streets.**

"If it were not for political influence more than nine-tenths of the men who are supported by the city could be forced to earn a living," said an ex-director of the poor yesterday. Being asked to explain, he said: "When I was in office I tried frequently to have the street commissioners employ a few of the able-bodied men who were on the books as paupers and they refused. Their excuse was that the aldermen directed them who to employ, and they did not dare discharge a man without consulting the aldermen. You see it is like this. The aldermen like to give work to such men as have a little political pull. I am satisfied that work should be provided by the city in some way so that when a healthy man comes along and asks the city to support him he can be given a job and told to either work or starve. I would place the wages so low that it would be no object for him to work for the city longer than he was obliged to. The great evil of the present system is the education of whole families of children to believe in the doctrine that the world owes them a living whether they work for it or not. When a family is once established as city charges they will send their children to get their allowance from the poor department. In that way they became familiar with the idea of being paupers and when they become men and women they are confirmed beggars or worse still grow into criminals. From my experience I believe that every man who applies for aid should be made to work for what he gets. The plan of the Charity society is good. No man applies to them for food gets it until he demonstrates his willingness to work. I believe the city could adopt a similar plan and make it work."

**Word on Street Car Poles.**

"It would not do to place poles in the center of Canal street," said Superintendent Chapman of the Street Railway company a few days ago. "In the first place they are a permanent obstruction to the street and we have no right to place such an obstruction in any street. Then they are dangerous. The south end line in Chicago was built that way and we injured three men in a very few weeks. You see the poles must of necessity be close to the tracks when placed in the center of the street, and men will attempt to get off on the side the poles are located on and as there is not more than a foot or two between the running board and the poles they are apt to get pinched. What we want is a good safe, neat wooden pole set against the curbstones."

**To Cleanse the System**

Effectually yet gently, when costive or bilious, or when the blood is impure or sluggish, to permanently cure habitual constipation, to awaken the kidneys and liver to a healthy activity, without irritating or weakening them, to dispel headaches, colds or fevers, use Syrup of Figs.

**"Speculation."**

The time never was more favorable for speculating in grain and stocks than at present. Prices are 40 per cent lower than they ought to be on both grain and stocks.

The recent money panic is the cause of these conditions.

The crops are generally good this year, with the exception of wheat, throughout the country, and the foreign demand is the largest of the year, owing to the damage of their crops. It is but a short time until wheat will sell 40 cents per bushel higher than present quotations.

If you are not posted in speculation write C. F. Van Winkle & Co., 235 La Salle street, Chicago, Ill., for their book on "Speculation" and "How to Trade," sent free on receipt of stamp.

WICHITA FALLS, TEXAS, March 11th 1893.—Proprietors P. P. P.: It becomes my duty to add my testimonial to the wonderful curative properties of P. P. P. (Prickly Ash, Poke Root and Potassium.) Some years ago I bruised my ankle on my saddle stirrup; from a little scratch the place began to enlarge until it was as large as the palm of my hand, discharging pus and exposing part of the bone. I called to see physicians and they pronounced it as a fever sore and incurable. It became so painful and swollen so badly that I tried bandage for relief until I secured a rubber supporter. After securing the rubber supporter for temporary relief I began to use internal remedies, trying several different kinds without any apparent relief. I resolved to try P. P. P., which I did; after using one bottle the result was such I continued until the sixth bottle was used, when my rubber supporter was not further required, as the sore was completely healed and swelling entirely gone. I therefore take pleasure in saying to the public generally that it is my belief from actual experience that the use of P. P. P., if properly persisted in, will cure any case of impure blood or blood poisoning. Respectfully, PROF. B. F. PICKEY, Postmaster, Wichita Falls, Texas.

I, the undersigned, knew Prof. Hickey at the time he commenced to take P. P. P. for his sore leg, and I did not think a cure possible. I noticed its progress from the start, and must say the remarkable cure P. P. P. brought about was something marvelous.
