## Heart Failure.

*HOW TO AVOID IT.*

The epitaph on many a tombstone is "heart failure." No wonder, when we consider the immense strain which is put on that small organ. Marvelous as it is, beating 100,000 times and exerting a force equal to 8,184,000 pounds daily, it has its limit—its endurance often is too severely tested. So common are diseases of the heart—though often for a considerable time without the suspicion of the afflicted person being in the least excited—that it is stated that *one person in four has a bad heart!* Dr. Franklin Miles, of Elkhart, Ind., has for years made a special study of all diseases of the heart, and his remarkable success has made his name a familiar one in all parts of our land. He has found the most common symptoms of heart disease to be *pain, distress or tenderness in the chest, back, stomach, bowels, left shoulder* and *arm, shortness of breath, smothering spells, fainting*, etc.

Mr. George R. Smith, of Barnes, Yates Co., N. Y., writes:—"Dr. Miles' New Heart Cure *has worked wonderfully on mind and body so I can do a good day's work. I feel ten years younger* and take more interest in affairs. I had shortness of breath, palpitation, pain under left shoulder blade, *pain around the heart, I could not sleep on my right side.* Since I have taken *Dr. Miles' New Heart Cure I sleep well, and have no palpitation.* It has made my *heart stronger.* I wish you would print this, because I want all to know what *Dr. Miles' Heart Cure* has done for me."

"For months my wife suffered with *palpitation, smothering spells*, and was unable to sleep on her left side. She tried several doctors without relief. Your *Heart Cure* was recommended. After taking three bottles, she fully recovered her health. Your medicines do what you claim."—Chas. Uhlfelder, Toledo, O.

**Dr. Miles' New Cure for the Heart is sold by all druggists on a positive guarantee. It is *safe, agreeable, effective, and does cure.* Dr. Miles Medical Co., Elkhart, Ind.**

## WENT WITH A RUSH

### Favorable News Regarding Silver Repeal Advanced Stocks.

### STOCKS 1-2 TO 1 1-2 PER CENT

**Wheat was Weak and Lower--Provisions Closed Strong and Generally Higher.--Money Easy.**

NEW YORK, Sept. 19.—Money on call has been easy, ranging from 2½ to 4 per cent, last loan at 2½ per cent and closing offered at 2½ per cent.

Posted rates, $4.83½@4.86½.

Government bonds steady.

The stock market ruled extremely dull until a late hour this afternoon and speculation presented few features of interest. The market displayed great firmness and an attack on Louisville and Nashville which carried the price down 1½ per cent to 54½, but failed to dislodge any considerable amount of long stock. Sugar was the only other instance which the decline was more than fractional. That stock yielded from 86¼ to 84¾. When advices were received from Washington that the prospects for a speedy repeal of the Sherman silver law had materially improved, speculation showed a semblance of life. After delivery hour prices went up with a rush and the small floating supply of stocks were made more apparent than at any previous part of the day. Chicago Gas led the upward movement rising from 57¼ to 61 on the statement that the president of the company having been made a director of the Economic Gas company, thereby securing a continuance of harmonious relations. The improvement in the general list was ½ to 1½ per cent. The market closed steady at the highest point. The transactions were 154,524, including 44,660 unlisted stocks.

### "Speculation."

The time never was more favorable for speculating in grain and stocks than at present. Prices are 40 per cent lower than they ought to be on both grain and stocks.

The recent money panic is the cause of these conditions.

The crops are generally good this year, with the exception of wheat, throughout the country, and the foreign demand is the largest of the year, owing to the damage of their crops. It is but a short time until wheat will sell 40 cents per bushel higher than present quotations.

If you are not posted in speculation write C. F. Van Winkle & Co., 236 La Salle street, Chicago, Ill., for their book on "Speculation" and "How to Trade," sent free on receipt of stamp.

"Royal Ruby" Rye Whisky is free from all foreign flavor and adulterants; naturally ripened and matured by eleven years storage in wood, it is "a Rye as is a Rye," and costs no more than inferior brands. Try it and you will never be satisfied to use any other.

A pure old whisky is always free from fusil oil, which is a poison, and should not be taken into the system. Age eliminates it from the spirit of oxidation, and it is converted into fragrant ethers, which give the bouquet to whisky.

When you want a whisky for medicinal use you want it pure. "Royal Ruby" Rye is guaranteed pure in every particular, and recommended for the invalid and the convalescent. (Bottled at distillery.) $1.25 per quart bottle. ROYAL WINE CO., Chicago. For sale by Scribner & Aldworth, druggists.
