# OFF DAY IN STOCKS

## Market Was Irregular and Prices Down a Point.

## INCREASE IN BANK RESERVE

**Trading in Wheat Was Narrow with Price Lower--Pork and Provisions Firmer and Higher.**

NEW YORK, Sept. 30.—Money on call nominally at 2½ per cent.

Posted rates, $4.85@4.87½.

Government bonds strong.

The stock market presented a very irregular front at the opening, some shares showing an advance of ¼ to ⅝ per cent, while others showed losses of anywhere from ¼ to ¾ per cent. General Electric lead the decline. Before the expiration of the first hour of business, however, there was a decided change for the better, owing to receipt of buying orders from Boston and local operators. Under the influence of these purchases prices moved up anywhere from ½ to 1¾ per cent. Distillers, Burlington, Chicago Gas, Sugar, Western Union and General Electric being most conspicuous. Whisky was put up on the talk about a proposed increase in the tax on distilled spirits. While the general market was higher on a belief that the bank statement would again be favorable, prices eased off somewhat after 11 o'clock and the downward movement gained momentum toward the close, General Electric at this time declined 2 to 4¾ and the other active stocks fell off ½ to 1½ per cent. The bank statement despite that the fact that it showed a much heavier increase in reserves than expected, failed to exert the slightest effect on the market. In the final scramble Distillers displayed fresh strength, recovering ⅝ to 2¾ and the market left off firmer in tone. The sales were 167,444 shares.

### Wheat Down a Point.

CHICAGO, Sept. 30.—Today being the last of the month as well as the end of the week, business was light and the range narrow, fluctuations covering less than the usual limit. The opening was rather weak, December selling ⅜c off from the close of yesterday. When the bank statement was received from New York showing an increase of over $6,000,000 in the reserve a small advance was made and the outside prices of the day being reached, 69⅝c for December. Within the last hour a change in the tone was again experienced and the lowest point, 69⅛c to 69⅜c for December was touched. Close was at 69⅝c, a loss of ⅜c for the day.

Provisions—Receipts of hogs were not as large as expected and some improvement in prices was reported. Provisions seemed to act in sympathy, and although the range was light, the prices were firm. ### "Speculation."

The time never was more favorable for speculating in grain and stocks than at present. Prices are 40 per cent lower than they ought to be on both grain and stocks.

The recent money panic is the cause of these conditions.

The crops are generally good this year, with the exception of wheat, throughout the country, and the foreign demand is the largest of the year, owing to the damage of their crops. It is but a short time until wheat will sell 40 cents per bushel higher than present quotations.

If you are not posted in speculation write C. F. Van Winkle & Co., 236 La Salle street, Ibema, Chicago, Ill., for their book on "Speculation" and "How to Trade," sent free on receipt of stamp.

"LILY WHITE" flour is warranted to please you in every particular. Made only by Valley City Milling Co.

Bald Heads!
What is the condition of yours? Is your hair dry, harsh, brittle? Does it split at the ends? Has it a lifeless appearance? Does it fall out when combed or brushed? Is it full of dandruff? Does your scalp itch? Is it dry or in a heated condition? If these are some of your symptoms be warned in time or you will become bald.
Skookum Root Hair Grower
is what you need. Its production is not an accident, but the result of scientific research. Knowledge of the diseases of the hair and scalp led to the discovery of how to treat them. "Skookum" contains neither poisonous nor injurious ingredients. It is not a dye, but a delightfully cooling and refreshing tonic. By stimulating the follicles, it stops falling hair, cures dandruff and grows hair on bald heads.
☞ Keep the scalp clean, healthy, and free from irritating eruptions, by the use of "Skookum" Shampoo. It destroys parasitic insects, which feed on and destroy the hair.
If your druggist can not supply you send $1 for one bottle, or six for $5, express, prepaid, on receipt of price. Grower, 50c per bottle; 6 for $2.50. Soap, 25c per jar; 6 for $1.00.

"Royal Ruby" Rye Whisky is free from all foreign flavor and adulterants; naturally ripened and matured by eleven years storage in wood, it is "a Rye as is a Rye," and costs no more than inferior brands. Try it and you will never be satisfied to use any other.

A pure old whisky is always free from fusel oil, which is a poison, and should not be taken into the system. Age eliminates it from the spirit of oxidation, and it is converted into fragrant ethers, which give the bouquet to whisky.

When you want a whisky for medicinal use you want it pure. "Royal Ruby" Rye is guaranteed pure in every particular, and recommended for the invalid and the convalescent. (Bottled at distillery.) $1.25 per quart bottle. ROYAL WINE CO., Chicago. For sale by Scribner & Aldworth, druggists.
