Saddle Cloths.

HEADQUARTERS ARMIES OF THE UNITED STATES, WASHINGTON, May 22, 1866.
MESSRS. NICHOLS & TOMPKINS, Newark, N. J.—SIR: I have tried for several months your patent SADDLE CLOTH, and pronounce it the best I have ever known used for saving the backs of horses. It should come into general use for Cavalry service, or when horses are much used under the saddle.
Very respectfully, your obedient servant, U. S. GRANT, Lieut.-Gen.

HEADQUARTERS MILITARY DIVISION OF THE MISSISSIPPI, LANCASTER, Ohio, July 9, 1865.
DANL. F. TOMPKINS, Newark, N. J.—DEAR SIR: I am just home from Washington, and find yours of June 29. I did receive a Patent Saddle Cloth sent at the hands of Gen. Donelson at Nashville in May, 1864. I used it all my Georgia and Tennessee campaign, and think very well of it indeed. I rode mostly Carolina mares, and think very well of them. I rode one of my two horses, alternate days, and both horses have as clean and good backs to-day as when I started from Nashville. This is the best test you could have of your patent. I saw many officers using the same. Yours truly, W. T. SHERMAN, Major-Gen.

FROM MAJOR-GEN. J. H. WILSON.
WILMINGTON, Del., April 2, 1866.
GENTLEMEN: I inclose herewith $113 for Saddle, Bridle, &c., received some time ago and very satisfactory. Col. Andrews bids me return his thanks for the Saddle Pad which you were good enough to present to him. I have one which was sent to me over two years ago by the Hon. C. A. Dana, Assistant Secretary of War, and which I have used constantly ever since. I was requested to make a report upon the same, but the war having ended I have never done so. I have no hesitancy, however, in saying I regard the felt cloth which you have patented the best arrangement I have ever used for preventing injury to a horse's back by hard riding and continuous pressure of the saddle. I had originally supposed the cloth would gall the horse's back by becoming incrusted with sweat and dust, but if horse washing admirably, and can be kept perfectly pliant and clean by a little attention; mine has been washed but once since I first began to use it, and as it has certainly traveled as far as any other Saddle Blanket or pad used in the war, it may be fairly regarded as fully tested. Very respectfully, your obedient servant, J. H. WILSON.
Messrs. NICHOLS & TOMPKINS, No. 1 Bond-st., Newark, N. J.
