PIONEER PAPER OF COLUMBIA COUNTY

VOLUME XXXV.

ST. HELENS, OREGON, FRIDAY, APRIL 7, 1916

NO. 16

HELENS A WINNER

LAST GAME OF SERIES

Woodland 12-3—A Large Crowd Attends Game

Vice President G. P. Gray of the League, pitched the first ball for Mayor Morton, the regular pitcher of the Inter-City League. The game was opened here Sunday. In the opening tilt St. Helens defeated Woodland by the one-sided score of 12-3. A perfect day brought out a large crowd of local fans and the game was swelled by some hundred Woodlandites, who came over to witness the contest. The game was a close one and the crowd was kept on its feet for the first inning, when St. Helens scored 5 runs, the game was not opening as some games which have been played on the local lot, but the behavior of the boys who are to represent St. Helens this year, gave the crowd and Manager Hallagh a good opinion of the aggregation, who are to give a good account of themselves. The pitching of Donaldson of St. Helens, was very satisfactory to the crowd and he is counted as one of the mainstays for the coming season.

The following box score tells how it went:

St. Helens		Woodland			
AB	R	H	PO	A	E
Donaldson, p	2	0	1	0	0
Gray, 1b	2	0	0	0	1
McDonald, cf	4	3	1	2	0
Gray, 2d b	5	2	1	0	2
Gray, rf	4	1	2	0	0
Donaldson, 3d b	5	2	1	0	3
Gray, c	3	1	1	10	1
Gray, lf	4	1	2	6	0
Donaldson, p	5	0	0	1	2
Gray, 1b	3	0	0	6	0
Donaldson, ss	2	0	1	0	1
Total	38	12	9	27	8

Woodland		St. Helens			
AB	R	H	PO	A	E
Donaldson, p	2	0	1	0	0
Gray, 2d b	4	0	1	0	3
Gray, cf	3	0	1	2	1
Donaldson, 3d b	3	0	0	2	3
Gray, lf	4	2	1	0	0
Donaldson, rf	4	0	0	0	0
Gray, c	4	0	2	11	0
Donaldson, ss	4	1	0	2	0
Donaldson, p, 2d b	3	0	0	1	3
Donaldson, 1st b	3	0	0	0	0
Donaldson, x	1	0	0	0	0
Donaldson, 1st b	0	0	0	0	0
Total	35	3	6	24	10

—Batted for Griffith in 9th.

Score by Innings

St. Helens	516	090	00—12
Woodland	124	001	10—9
Total	640	010	200—3
Total	100	011	111—6

Summary
Runs: Hayes, Druhot, Kirby; sacrifice fly: Kirby; two hits: Perry, Hall, McDonald, Gray; three base hits: Gray, Druhot; struck out by Donaldson, 10; Driscoll, 5; Griffith, 6; bases on balls: off Donaldson, 1; Driscoll, 4; Griffith, 4; Innings pitched by Driscoll, 2-3; runs scored: 7; passed balls: Kirby, 2; 2:20. Umpire, Cheyne.

Notes of the Game
The St. Helens band was there in force and livened up the occasion with many selections. Their attendance and services are much appreciated by the team.
The decisions of Umpire Cheyne were given quickly and accurately. The selection of this umpire was a stroke on the part of the league.

Gray played the right game and considering his age did remarkably well. Manager Hallagh probably let him pitch once in a while.

McDonald at short accepted several difficult chances and called all of them without an error. Perry, the old reliable, made a couple of nice catches and scored two of the 12 runs.

Stevens at second is the same tower of strength. Second is the best place for him.

The next game is with Woodland on their home grounds. The chances are good that the St. Helens will take the crowd over. Woodland brought 100 people. St. Helens fans could go over at least 200 strong.

CAPT. WRIGHTSON SELLS VESSEL

Another Will Be Built at St. Helens Shipyard

From an authoritative source it is learned that Capt. Wrightson has sold his motor vessel now under construction at the St. Helens Shipbuilding Company's plant to Eastern parties. The consideration is not known but it is presumed that owing to the scarcity of tonnage and the great demand for all that is available, the craft brought a good price. Capt. Wrightson's contract with the shipbuilding company calls for delivery of his vessel in June and just as soon as the vessel leaves the ways, work will begin on another vessel for the captain, to be almost a duplicate of the one he has just sold.

ASTORIA TO BUILD BOAT

H. F. McCormick confirms the report that the McCormick interests have placed a contract with Wilson Bros shipbuilding plant at Astoria, for the construction of a motor vessel the type of the City of Portland, and that work will be started as soon as possible. The vessel will be 242 feet long and equipped with powerful semi-Diesel engines. It is figured her lumber capacity will be 1500 M feet of lumber. On account of the local shipbuilding plant having all they can now do, it was decided to place the contract with the Astoria parties so the vessel could be placed in commission within the next six months.

S. C. MORTON
Re-Elected Mayor of St. Helens

OPEN SATURDAY P. M.

For the purpose of accommodating those who wish to register, County Clerk Barnett will remain in his office at the court house Saturday until 7 o'clock in the evening. Voters should remember that they have to register in order to be able to vote at the Primary Election, May 19th. This registration is permanent. The women should also register. They are not even asked their ages, and it would not be put on record if given.

SHERIFF AND DEPUTIES VERY BUSY

Wednesday was the last day on which taxes could be paid without an additional interest charge and the sheriff's office was filled with people all day making their contributions towards the county's expenses. Sheriff Stanwood at this time has not been able to check up the entire amount received, and from the hundreds of unopened letters he has stored away in the vault it will probably be several days before he can state how much money came in.

NEW ADVERTISEMENTS

This Week
Steamer Elphin, Astoria, St. Helens and Portland.
Bergman Shoe, Portland, the satisfactory kind.
A. T. Kibban, department store, prices and quality just right.
Dwight Edwards Co., Dependable Coffee.
Peterson's Cash Store, fancy groceries, the celebrated Preferred Stock.
Oscar Erickson, Warren, general merchandise, good goods at lowest margin.

TWELVE DAYS IN JAIL HOME AND OREGON

STOLE BRASS BOXING MADE-IN-OREGON WEEK

James Delaney is Now Serving Time for Theft

James Delaney is now languishing in the county jail in default of a fine of \$25.00, imposed by Justice Phillip. Delaney and a comrade appropriated to their own use about 100 pounds of brass boxing from the construction work at the big cut near Deer Island and in their attempt to sell it to a junk dealer at Davies' barn Friday night, suspicion was aroused and word was phoned to Marshal Chittim and he arrested Delaney, but his partner made good his escape.

He had his hearing Saturday, but was not sentenced until Tuesday, in the hope that he would divulge the name and probable whereabouts of his partner, but it seems he preferred to take his medicine and Justice Phillip gave him \$25.00 worth.

CITY COUNCIL HOLD BRIEF MEETING

Committee on streets reported adversely on placing lights on Summer street.

The extension of sewer through Dillard's lake was discussed. Laid over.

An ordinance declaring it the duty of all owners of land adjoining any street to construct and maintain all sidewalks or steps in front of said land at their own cost and expense.

In the matter of the estimate of sidewalk along Willamette street, it was read in full. City attorney to prepare ordinance.

Councilman Larabee reported on pipe in well at Houlton, suggested that pipe be taken out and sold, and suggested that Water Board be asked to examine and see if it can be used by them.

CREOSOTE FOR ST. HELENS PLANT

Aboard the Norwegian tank steamer Belridge, which reached Eagle Harbor last week from Osaka, is a part cargo of creosote for the plant of the St. Helens Creosoting Company, and it will be transported to St. Helens on an American tanker later. The shipment amounts to 500,000 gallons.

Since the European war began it has been no easy matter to supply creosote from that side of the globe, although direct shipments have been made to St. Helens and business has been carried on there as usual with no shortage of material.

The use of creosoted material, especially piling, has increased during the past few years at ports where teredos abound, and treated piling has been shipped from here to Mexico, as well as to California. The location of the St. Helens plant, being where piling of any length is available and facilities are ample for the delivery of creosote by vessels, as well as the loading of treated materials for transportation by water, is viewed as most desirable.

S. N. CADE PURCHASES, SUNNY BROOK DAIRY

S. N. Cade has purchased the dairy of E. W. Saxton and has moved his plant to town and will occupy the north side of the creamery building. Machinery has been ordered for the creamery ice plant and milk and cream will be kept in cold storage. Farm produce will also be handled as soon as the room can be partitioned off. Fresh milk and cream will be brought in from the farm every morning.

FIREMEN TO DANCE

Beginning Saturday night, the St. Helens Volunteer Fire Department will inaugurate a series of dances at the Sunset Athletic Club rooms. From then on, a dance will be given every two weeks. There will be good music and the usual good floor management.

INTER-CITY LEAGUE BALL PLAYERS

SCHEDULE ARRANGED FOR GAMES UNTIL JULY 4th

April 9—St. Helens at Woodland.
April 16—Kirkpatricks at St. Helens.
April 23—Woodburn at St. Helens.
April 30—Bradford at St. Helens.
May 7—Montavilla at St. Helens.
May 14—Gresham at St. Helens.
May 21—St. Helens at West Side.
May 28—Montavilla at St. Helens.
May 30—Kirkpatricks at St. Helens.
June 4—Bradford at St. Helens.
June 11—Gresham at St. Helens.
June 18—Woodland at St. Helens.
June 25—St. Helens at Woodburn.
July 2—West Side at St. Helens.
July 4—Bradford at St. Helens.

COUNTY SCHOOL NOTES

District No. 6, Sauvie's Island—Miss Ruth W. Russell is finishing up her first year's work as teacher at this place. There are nine pupils in attendance, representing six of the eight grades. The schoolhouse is only a shack, but no better band of children can be found anywhere. All are very studious, and are doing their very best.

The eighth grade examination comes on May 4 and 5. Teachers who have pupils expecting to take this examination, should make their requisitions at once.

L. P. Harrington, field worker from the state office, in company with the county superintendent, has been touring the county the past week in the advancement of industrial education, visiting as many places as possible.

Scappoose will hold a May Day exercise during the first week in May. Their big play shed, the finest in the county, is nearly completed. Their new water system has been duly installed and is working satisfactorily. District No. 28 has a new flag now; next will be a new flagpole.

J. W. ALLEN, Co. Supt.

FISHERMAN LOSES NET AND FISH

While coming up the river Monday morning, Deputy Fish Warden M. R. Pomeroy discovered a set net near Columbia City. On picking up the net, he discovered several salmon. He confiscated both net and fish, disposing of the fish here and sending the net to the Master Fish Warden at Portland. Some fisherman paid a good price for the violation of the closed season law.

BASE BALL EXCURSION

The launches Grace and Ruth will run an excursion to Woodland Sunday to witness the second game between St. Helens and Woodland. Boats will leave city dock at 11:30 sharp; 50 cents for the round trip. Both boats should be loaded with rooters for the home boys.

NEW MAP RECEIVED

One of the forest cover maps, showing all the forest area in Oregon, prepared by the office of State Forester F. A. Elliott, has been received by this office. A limited number of the maps were made for distribution among the public schools of the state and those that are left are being distributed among the newspapers. The maps are not for general distribution.

MORTON RE-ELECTED

AMENDMENT CARRIED

Proposition for the Purchase of an Auto Fire Truck Lost

The annual city election Monday created a good deal of interest, notwithstanding the fact that there was only one ticket in the field, save for the office of mayor. The friends of Mr. Larabee placed his name on the ticket by petition for the office of mayor against Mr. Morton, the nominee of the mass convention. This added interest to the election and a fair vote was polled.

The proposal to purchase an automobile fire truck which was submitted to the people, failed by only 11 votes.

The amendment to the city charter was heartily ratified.

While the vote will not be canvassed until next Monday evening, the result is practically as follows:

First Ward
For Mayor

S. C. Morton 219
N. O. Larabee 45

For Councilman

Washington Muckle 203
T. S. White 209

For Treasurer

H. P. Watkins 226

For Water Commissioner

L. J. Van Orshoven 230

Charter Amendment
Yes, 126. No, 66.

To Purchase Fire Truck
Yes, 104. No, 134.

Second Ward
For Mayor

N. O. Larabee 54
S. C. Morton 14

For Councilmen

Washington Muckle 23
T. S. White 63

For Treasurer

H. P. Watkins 51

For Water Commissioner

L. J. Van Orshoven 46

Charter Amendment
Yes, 24. No, 14.

To Purchase Fire Truck
Yes, 36. No, 17.

LAND PROTESTS READ

Representative Hawley laid before the public lands committee letters from Governor Withycombe and George G. Brown of the state land board, urging radical change in the pending school land exchange bill. These letters represent that the bill as it stands will reduce the amount of school land which Oregon may receive from the government. They also urge an amendment permitting the states to take in exchange for school sections in forest reserves various public lands of value equal to those surrendered. As the bill stands, lands given to the states are to be eliminated from forest reservations. The governor wants the right to take unreserved lands if the state so elects.

ZIPPERER FOR THE LEGISLATURE

Dr. J. L. Zipperer of St. Helens, has decided to become a candidate for the Republican nomination for Representative of Columbia county. Dr. Zipperer has been a resident of Columbia county for several years, having lived in Clatskanie for two years, where he practiced his profession of dentistry, later moving for a time to Nehalem, in Tillamook county, and coming from there to St. Helens about six years ago, where he secured a franchise and installed the St. Helens Telephone Exchange. Since that time he has devoted his entire time and attention to the telephone business and has added to his lines until he now has a most complete telephone system covering this city and the surrounding communities of Warren, Bachelor Flat and Yankton. Dr. Zipperer is a thorough business man capable and dependable. His wide acquaintance throughout the county will make him a very formidable candidate.—Advt.

NEW LIGHT INSTALLED

A mercury arc rectifier has been installed at the Strand Theater that produces a light equal to any in Portland. The public are invited to inspect same any evening from 7 to 7:30. This was installed at considerable expense and shows that the Strand intends giving the people the best.

MAY DAY MUSICAL

Monday evening, May 1, 1916. Benefit City Library, given by St. Helens Woman's Club. Conducted by Mrs. I. E. Dodd and Wm. A. Russell at the city hall. Chorus of 16 voices. Local talent.

E. I. BALLAGH
Manager St. Helens Base Ball Club

DEATH OF COUSIN

W. L. Lidyard received word the other day of the death of his cousin, Sir George Pragnell, in London, England. He was a prominent and useful man and his obituary notice occupied nearly two columns. He was a successful recruiting officer and 15,000 young men rallied to his efforts. He was one of the great forces in the successful organization of the Red Cross. Letters of sympathy were received from the queen and numerous organizations.
