Philadelphia Package Sales of Boots and Shoes, every Tuesday morning, at 10 o'clock, by
G. W. LORD.

CARD.—A combination having been formed by a portion of the Dealers in Boots and Shoes of this city, with the avowed object of suppressing the sale of those goods by auction, it seems proper for the subscriber (who has held these sales for the past eighteen months) to state that notwithstanding this combination, the sales will not be stopped, but on the contrary, as he will rely more than ever on the patronage of the country merchants, the sales will be held every Tuesday morning, at the Auction Store, 208 Market Street, and his arrangements with the Manufacturers, both of this city and all New England, are such as to insure him a constant and full supply of every description of goods.

The mere fact of so great an effort being made to put down these sales, is the best evidence the country merchant can have, that it is for his interest to sustain them.
