THE HAWAIIAN GAZETTE.

A WEEKLY JOURNAL, DEVOTED TO HAWAIIAN PROGRESS.

VOL. XV.—No. 28. HONOLULU, WEDNESDAY, JULY 9, 1879. WHOLE No. 756.

A Reverie.

[illegible]

VARIETY.

The chains of habit are generally too small to be felt till they are too strong to be broken. —Johnson.

Malice, envy, pride and hatred, lust, wrath, gives a death of credit to a false accusation. —Massinger.

In England two women have recently been appointed overseers of the poor and one a surveyor of roads.

It is an old saying, but a very pretty one, that a kiss is like a pretty girl, for it becomes a woman.

Never sacrifice the gem of virtue on appearance. The woman who dupes her match shall may have had much.

There is no disgrace in being poor. The thing is to keep it quiet and not let your neighbors know anything about it.

All the language in the world has never succeeded in answering the child's question, "Why doesn't time kill the clock?"

Although the Princess Louise has been married some two years she is still very fond of her opera glass. She loves her Lorne yet.

"Do you call that a real outlet, waiter?" said a customer. "Why it is as much as every man can do in the country." "I didn't mean to insult you, sir," said the waiter.

A thief is really a profound philosopher and always a careful thinker—that is, he looks at everything in an abstract way, and if you reason with him he proves it conclusively.

The professors at a dinner table were discussing the familiar line, "Ka'ahumanu was the noblest work of God," when a little son of the host spoke up and said: "It isn't true. My mother's better's any thing that man ever made."

Those who have never met Senator Thurman may like to know that he has a massive frame; a large, well-shaped head, covered with gray hair; bright, honest eyes, and a large mouth. His manner of speaking is eminently business-like.

Of the suite of color, James Freeman Clarke, of Boston, recently said this: "In America if a man is black we enslave him; if he is red we steal his lands and massacre his wife and children, and if he is yellow we spit in his face in the most civil way."

The writer of a letter in the London Times points out that an ounce of bread wasted daily in each household in England and Wales, means about 21,000 quarter loaves, the product of 50,000 acres of wheat in a year; while an ounce a week of meat wasted amounts to some 200,000 sheep.

When a young man looks sad, swears of smoking, raises his beard, wears patches on his pants, and turns his coffee three times, don't think he misses his sweetheart; he's only trying to figure out how he can support an extravagant young lady on a salary of $8 a week, and have enough left on Sunday morning to pay for a shave.

A Yankee auctioneer lately indulged in the following little bit of the pathetic: "Gentlemen, if my father and mother stood where you do, and didn't buy these boots—these elegant boots when they are going for one dollar, I should feel it my duty as a son to tell both of 'em that they were false to themselves and false to their country."

RUPTURE CURED
CALIFORNIA ELASTIC TRUSS has proved a godsend to me, for it entirely cured my painful rupture in nine weeks, from which I have suffered for five years. I took your advice and wore it day and night. You have conferred a lasting favor on me, for which accept my gratitude.—MRS. H. E. S. LATHROP, San Jose, California.
CALIFORNIA ELASTIC TRUSS has substantially cured me of a bad case of rupture of 30 years standing. I have tried all kinds of trusses, both steel and elastic, and never received any permanent relief until I tried yours. I feel that I am perfectly cured.—ALFRED J. BURKE, chief mail clerk S. F. Daily Evening Post. Send for catalogue.

DR. J. COLLIS BROWNE'S
CHLORODYNE
IS THE ORIGINAL AND ONLY GENUINE.
CHLORODYNE is admitted by the profession to be the most wonderful and valuable remedy ever discovered.
CHLORODYNE is the best remedy known for Coughs, Consumption, Bronchitis, Asthma.
CHLORODYNE effectually checks and arrests those too often fatal diseases:—Diphtheria, Fever, Croup, Ague.
CHLORODYNE acts like a charm in Diarrhœa, and is the only specific in Cholera and Dysentery.
CHLORODYNE effectually cuts short all attacks of Epilepsy, Hysteria, Palpitation, and Spasms.
CHLORODYNE is the only palliative in Neuralgia, Rheumatism, Gout, Cancer, Toothache, Meningitis, &c.
From W. Vesalius Pettigrew, M. D., formerly Lecturer at St. George's Hospital, London: "I have no hesitation in stating that I have never met with any medicine so efficacious as an Anti-spasmodic and Sedative. I have used it in Consumption, Asthma, Diarrhœa, and other diseases, and am perfectly satisfied with the results."
"Earl Russell communicated to the College of Physicians that he had received a dispatch from Her Majesty's Consul at Manila to the effect that cholera has been raging fearfully, and that the only remedy of any service was CHLORODYNE."—See Lancet, 1st December, 1864.
CAUTION.—BEWARE OF PIRACY AND IMITATIONS.—The public are further cautioned; a forgery of the government stamp having come to the knowledge of the Board of Inland Revenue.
CAUTION.—Vice-Chancellor Sir Page Wood stated that Dr. J. Collis Browne was undoubtedly the inventor of CHLORODYNE; that the story of the defendant was deliberately untrue, which, he regretted to say, had been sworn to.—See Times, July 19, 1864.
Sold in Bottles at 1s. 1½d., 2s. 9d., 4s. 6d. and 11s. each. None is genuine without the words "Dr. J. COLLIS BROWNE" on the Government Stamp. Overwhelming medical testimony accompanies each bottle.
Sole Manufacturer J. T. DAVENPORT,
33, Great Russell St., Bloomsbury, London.
Agents in New York, W. R. SCHIFFELIN & Co., and J. C. WELLS. 741 6m
