Southern Machinery Depot,
No. 66 Magazine street.
The following, received from a Planter, is a sufficient testimonial of their value:
Shepardville Place, Yazoo River, Jan. 7, 1858.
Messrs. D. C. Lowber & Co:
It gives me pleasure to say that the No. 2 DOUBLE SAW MILL, purchased of you, in July last, has answered all my expectations. It has cased, without any difficulty, a log two feet square and fifteen feet long, into inch boards, in an hour, and I have known it to go through a log twenty-feet long and two feet thick, in one minute. I consider it the simplest and most efficient Saw Mill ever got up for Plantation use. My Mill is driven by the eight horse power engine, likewise purchased at your establishment.
[Signed] A. S. CALDWELL.
A pamphlet, containing prices and full particulars, will be sent by mail to any one desiring it.
One of these Mills is in operation at the subscribers' Warehouse, and Planters visiting the city are invited to call and examine it.
