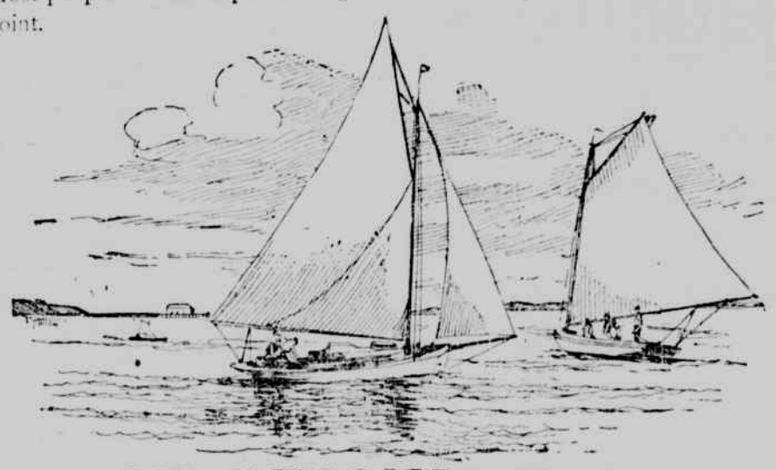
CAN YOU MANAGE A SAILBOAT?

No? Well, there is nothing discreditable in that confession. Only a small minority of the human race are sailors. But though you cannot sail boats, you, like everybody else, enjoy the beautiful spectacle they present as they glide over the waters? What is more charming? John Stuart Mill says that a ship is the only perfect thing in art, as it supplies a radical defect in nature. Most people will be disposed to agree with the English philosopher on this point.



ON PECONIC BAY,
OFF WEST NECK PARK,
SHELTER ISLAND,

You can see a hundred living pictures like this from any one of the choice sites in West Neck Park that yet remain unsold. The Park, you should know, fronts on Peconic Bay, and it is generally agreed that Peconic Bay is one of the most beautiful sheets of water in the world.

Go down and see the place. Before you go drop a line either to
