SHINGLE ASKS SOME QUESTIONS

R. W. Shingle, during a recent visit in Portland, Oregon, asked a number of pertinent questions which have set many Portlanders thinking. The inquiries are summarized in an interview with Mr. Shingle, published in the Portland Telegram, in part as follows:

Portland Has No Share.

"As near as competitors, selling and buying the same goods, quoting prices as low and even lower for what is sold, and paying as high or higher for that bought, yet Portland gets practically none of Hawaii's business. Why? A Honolulu business man asked the question this week. He had no interest in Portland. His trip here was incidental to a visit to the Seattle fair. He saw this city, priced its export commodities, looked at its harbor, and marveled over the fact that Portland does not enter the Hawaiian commercial field. He drew a line, showing that one fleet of 12 to 13 steamships pass this port in their regular run, stopping at San Francisco and Seattle, but never touching Portland except by a one-boat connection, and he asked why this happened. He wanted to know if Portland sought Pacific marine commerce, if local business interests tried to get regular steamship connection, why the Columbian metropolis was not represented in a field he believes will develop much heavier trade in the coming years.

"He was not answered. No one seemed to know any legitimate, satisfying cause to prevent Portland from getting a due share of Hawaiian trade. No one cared to explain why the fleet of the Pacific-Hawaiian steamships sailed past this port without making regular calls, because the business is not offering. It proved a subject which Portlanders seemed anxious to forget. Why, no one cared to explain, and Robert W. Shingle, president of the Waterhouse Trust Company, one of the very largest concerns operating in Hawaii, passed on marveling that a city of Portland's strength and promise should not heed one of the brightest little fields of Pacific commerce.

Business Circuit Complete.

"Further inquiry along the lines of interrogation started by Mr. Shingle revealed the well-known fact that the triangular course made by the American-Hawaiian steamships furnishes a complete circuit of business. From Hawaii the vessels take to Panama and Tehuantepec raw sugar and general Hawaiian products. At the Isthmus they get heavy consignments of Atlantic seaboard freight for San Francisco and Seattle. San Francisco's quota is delivered at that port in passing, when the vessels continue north. Portland gets freight across the Isthmus, but the small cargo is transshipped at San Francisco for this port. At Seattle the Puget Sound Isthmus freight is delivered. At both Seattle and San Francisco the steamships pick up hay, grain, butter, eggs, fruit, lumber and other Pacific Coast products for the Hawaiian market.

"Portland takes as much Atlantic seaboard freight as Seattle. Portland has as much hay, grain, fruit, butter, eggs and other produce to market as either Seattle or San Francisco. Portland is as easy of entry as Seattle. Why didn't the steamship company, when arranging its service, have the business offered to induce it to stop here? Why hasn't something been done since to havve it do so? Why has this valuable factor in Pacific traffic been overlooked? There is no Alaska handicap in distance, no special relationships, no long-established channels of trade. Noting all these things, it appears that the Hawaiian business men utterly fail to grasp the Portland reason for not being in the field."

WHAT THE KIDNEYS DO

Their Unceasing Work Keeps Us Strong and Healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys.

James C. L. Armstrong, Nuuanu Valley, Honolulu, Hawaii, says: "I was a sufferer from kidney trouble for three years and Doan's Backache Kidney Pills completely cured me. I have had no return of the complaint during the past year. I can not recommend this remedy too highly."

Doan's Backache Kidney Pills are sold by all druggists and storekeepers at 50 cents per box (six boxes $2.50) or will be mailed on receipt of price by the Hollister Drug Co., Honolulu, wholesale agents for the Hawaiian Islands.

Remember the name, Doan's, and take no substitute.

TOLL OF DISASTER IN TRAIN OF STORM

(By Associated Press.)

KEY WEST, October 12.—The toll of disaster as the result of the frightful hurricane which visited this section yesterday, is appalling. Five hundred dwelling houses were totally destroyed, according to reports received today. In addition, seven churches and nine cigar factories are in ruins. One hundred vessels were either driven ashore or foundered.

From the deck of the Capistrano, the steamer he just commanded, the ashes of Captain Fields were scattered upon the waters entering the golden Gate, according to the deceased navigator's last wish.

OF THE MULTITUDES

who have used it, or are now using it, we have never heard of any one who has been disappointed in it. No claims are made for it except those which are amply justified by experience. In commending it to the afflicted we simply point to its record. It has done great things, and it is certain to continue the excellent work. There is—we may honestly affirm—no medicine which can be used with greater and more reasonable faith and confidence. It nourishes and keeps up the strength during those periods when the appetite fails and food cannot be digested. To guard against imitations this "trade mark" is put on every bottle of

"Wampole's Preparation," and without it none is genuine. It is palatable as honey and contains all the curative properties of pure Cod Liver Oil, extracted by us from fresh cod livers, combined with the Compound Syrup of Hypophosphites and the Extracts of Malt and Wild Cherry. Taken before meals it creates an appetite, aids digestion, renews vital power, drives out disease germs, makes the blood rich, red and full of constructive elements and gives back to the pleasures and labours of the world many who had abandoned hope. Doctor S. H. McCoy, of Canada, says: "I testify with pleasure to its unlimited usefulness as a tissue builder." Its curative powers can always be relied upon, and "You can trust it as the Ivy does the Oak." One bottle convinces. Avoid all unreliable imitations. Sold by chemists throughout the world.

TIMELY ADVICE.

Never leave home on a journey at this season of the year without a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, is good advice for young and old. No one can tell when taken on board the cars or steamships it may be required. It cannot be obtained when you want it. Buy it before leaving home. For sale by all dealers.
