BABY SCRATCHED FOR THREE YEARS

Until He Would Bleed—Eczema Covered His Whole Body and Head—Suffered Keenly from Itching and Burning—Hundreds of Dollars Spent on Fruitless Treatments.

CUTICURA CURED HIM—NEVER TROUBLED SINCE

"My little grandson, when a year old had eczema all over his whole body and head. It lasted nearly three years. He had big sores on his head and the matter would run from them. He suffered from the itching and burning and would scratch until he would bleed. He was a perfect sight. We tried every kind of salve and soap but they did no good. After spending hundreds of dollars, and having several doctors, which did him no good, we saw the Cuticura Remedies advertised and we got some to see if they would help him. We used the Cuticura Soap to wash him with and then applied the Cuticura Ointment. They cured him nicely. He is now five and has never been bothered with it since. Mrs. David Aiken, 4 Columbia Ave., Rockland, Me., Feb. 22 and Mar. 8, 1908."
