Nervous Diseases of Men
AND THEIR
Treatment by Local Absorption.

The La Salle Remedies.

For all forms of nervous waste, decay, exhaustion, and debility, whether due to disease of the sexual organs or not.

Also the new and direct method of arresting abnormal wasting discharges and restoring to the impotent their departed manly vigor.

Successful where All Else has Failed.
The La Salle Method and its Advantages.

Our preparations are called "The La Salle Remedies," from the fact that we procured the original formula of the celebrated Dr. La Salle of Paris, under guarantee that should we think proper to introduce at any time his remedies to the American public we should do so under that title.

Some years ago Dr. La Salle conceived the idea of treating nervous and seminal diseases by rectal medication, believing he would gain the following advantages:

(1.) Application of the drugs directly to the seat of the diseases.
(2.) Avoidance of digestion and neutralization of the active medical agents, there being no stomach drugging.
(3.) The patient can cure himself at very little expense without any physician.
(4.) Their use requires no change of diet or of the ordinary pursuits of life.
(5.) They are absolutely harmless.
(6.) Close approach to the lower apertures of emergence of the spinal nerves from the vertebral column, and hence ease of penetrating to the nervous fluid and matter of the brain and spinal cord.

Feeble men, whose strength is impaired, will find a sure and permanent cure in Dr. La Salle's remedies.

The La Salle Bolus.

The word Bolus is a Latin name, and means a large pill. In the preparation of the La Salle Bolus we use the best cocoa butter for holding and preserving the various drugs thus making their introduction a very easy matter.

They pass into the rectum with the most perfect ease, by means of a little pressure from the finger.

This method of treatment leaves behind no traces to excite the curiosity of any one.

The La Salle Improved Bolus (actual size)

DISEASES OF THE KIDNEYS, BLADDER, PROSTATE GLAND.

Their Treatment and Cure Without Stomach Medication.

SYMPTOMS: Frequent urination, rising at night to urinate. Pain or scalding in passing water. Dribbling of urine after completing the act. Enlargement of the prostate gland. Bright's Disease of the Kidneys. The most decided benefit is derived by placing these remedies right at the spot where they will do the most good. When the Bolus is introduced into the rectum it rests directly at the neck of the bladder.

The remedies are put up in boxes, each of which lasts one month, price $5.00. A single box is generally sufficient for mild cases. For chronic cases three boxes are generally required, price $15.00.

The La Salle Bolus is also the best known remedy for piles.
