In the line of Trousers we sell at $3 to $8.50, there's a round dozen prices to choose from—and as many patterns in a price. Of course at $3, $3.50 and $4 they're more for service than looks, but the $4.50, $5 and $5.50 grades have all you need in both, while the rest, up to $8.50, are fine enough for any purpose.

The difference in the price means no difference in cut, though a great deal in quality.
