COLLEGE PREPARATORY and primary classes; both sexes; combined advantages of class work and individual instruction. Young men and young women who from early education has been neglected find here excellent opportunity to make up lost time. The work is thorough and practical, and the moral tone high. The care of the pupils and the earnest and honest pride in each other's success pervades the place. The best evidence of these and many other advantages of the school is to be found in the good opinion of its neighbors, parents, and graduates.
